

DEAR AUNT MABEL

-a woman with answers

October 1, 2008

Dear Aunt Mabel,

Who the heck are you and why should anyone want to write you?

JIM

P.S. Do you know where I can get some cheap gas?

Dear Jim,

Unlike you honey, I'm someone who gives a; --heck.

If you want cheap gas, eat your veggies. Just make sure you warn everyone in the MTF first.

By the way, that was pretty poor for a first letter. Hopefully I'll get more intelligent, thought provoking and USEFUL inquires in the future from your battle buddies. Have them email me.

Love,
Aunt Mabel
