CONTRACT DATA REQUIREMENTS LIST

(1 Data Item)

Form Approved
OMB No. 0704-0188

The public reporting burden for this collection of information is estimated to average 110 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Executive Services and Communications Directorate (0704-0188). Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number. **Please do not return your form to the above organization. Send completed form to the Government Issuing Contracting Officer for the Contract/PR No. listed in Block E.**

16. REMARKS

Block 12: No later than 10 calendar days following contract award.
Block 13: Within 15 calendar days following the interface meetings.

This comprehensive plan shall be submitted in Microsoft® Project files. The plan shall address all events and milestones that need to occur for each functional area described in this contract to enable the start of health care delivery under this contract. The incoming contractor shall submit a revised start-up plan which incorporates the results of the Transition Specifications and Interface meetings. The final start-up plan will be incorporated into the contract at no cost to the Government.
