POST-TEST for DHA UBO and DQMC Program Webinar:
Foreign Affiliates
[20 and 22 October 2026]

POST-TEST INSTRUCTIONS

View the recorded Webinar located at UBO Learning Center Archived Webinars and then complete all of the 10 questions below. Submit your answers via e-mail to ubo.helpdesk@intellectsolutions.com with "Answers, Post Test '**Foreign Affiliates**'" in the subject line (a read receipt for your records is recommended). If at least 70% of the questions are answered correctly, you will receive a Certificate of Approval with Index Number via email. If you receive a score of 69% or lower, you will be notified via email and may review the archived Webinar and resubmit the post-test. Results may take up to five business days. If you have any questions, please submit those as well to ubo.helpdesk@intellectsolutions.com.

QUESTIONS

1. Once the correct foreign military health plan has been identified, where must it be updated?
   - **a.** In the Registration perspective only
   - **b.** At both the Registration and Encounter perspectives
   - **c.** In the Encounter perspective only
   - **d.** In the Images tab only

2. True or False: Family members of foreign affiliates are also considered foreign affiliates.
   - **a.** True
   - **b.** False

3. A service member from a NATO country is covered under the NATO Status of Forces Agreement (SOFA) for legal status. What determines whether specific fee waivers apply to their MTF care?
   - **a.** Whether the member's Foreign Visit Request (FVR) is on file
   - **b.** Whether the member holds a Common Access Card (CAC)
   - **c.** NATO membership alone
   - **d.** Whether a separate bilateral Reciprocal Health Care Agreement (RHCA) is actively executed with that country

4. For a patient on Invitational Travel Orders (ITO), when must the MTF obtain and verify an official, legible copy of the ITO?
   - **a.** Prior to or at the time of clinical intake
   - **b.** Only if the patient is admitted for inpatient care
   - **c.** After the claim has been transmitted
   - **d.** Within 120 days after the date of service

5. True or False: All Foreign Military work items carry the 'Foreign Military Review' billing hold, which is cleared once the work item is resolved and an action code is applied.
   - **a.** True
   - **b.** False

6. True or False: Regardless of RHCA status, NATO affiliation or insurance, MTFs will immediately provide emergency stabilizing care, with financial reconciliation handled after the patient is stabilized.
   - **a.** True
   - **b.** False

7. If insurance information is available for a Foreign Military patient, when should the member's Embassy be billed?
   - **a.** Only after the debt has been referred to Cross-Servicing Next Generation (CSNG)
   - **b.** One year after the date of service
   - **c.** Upon receipt of the insurance explanation of benefits (EOB), or 120 days after the insurance claim is submitted, whichever occurs first
   - **d.** Immediately, before the insurance claim is filed

8. True or False: A Reciprocal Health Care Agreement (RHCA), on its own, authorizes civilian purchased care and TRICARE benefits for eligible foreign force members.
   - **a.** True
   - **b.** False

9. Which work item is applied by the system when a qualifying Placeholder health plan is attached to an encounter and the encounter is discharged?
   - **a.** D191 – DoD Foreign Military Review – Incorrect Bill
   - **b.** D329 – DoD Foreign Military Placeholder HP
   - **c.** D190 – DoD Foreign Military Review – UBO
   - **d.** D310 – DoD Foreign Military Review

10. If the correct Profile and Health Plan (P&HP) is not yet known, which health plan should the MSA/Registration Clerk initially apply when registering an eligible foreign military patient?
    - **a.** Self Pay
    - **b.** The foreign profile returned by DEERS
    - **c.** The applicable Foreign Military Placeholder Plan
    - **d.** The DoD-Review Foreign Military health plan
