Subcommittee Activities

- **Past Meeting (October 20, 2008)**
 - Briefed by Col Bader on the Military Healthcare Senior Oversight Committee
 - Reviewed the Concept of Operations Plan for Establishment of the Healthcare Delivery External Advisory Subcommittee
 - Presented with Question to the Board from Dr. Casscells
- **Future Meeting (tentatively January 2009)**

Subcommittee Tasks

- **Request by Dr. Casscells, the Assistant Secretary of Defense for Health Affairs, to evaluate**
 - **The effectiveness of the DoD plan, developed in response to the final report by the DHB Task Force on the Future of Military Healthcare**
 - **Whether better efficiency and integration of services across military health systems may be achieved**
- **Specifically, the Subcommittee must address**
 - **Direct and purchased care**
 - **Provide guidance for improvement**

Subcommittee Tasks

- **Develop innovative methods to enact change in military healthcare delivery**
- **Serve as an External Advisory Group to assess the strategic plan developed by the DoD for executing the Future of Military Health Care Task Force recommendations**
- **Facilitate adoption of effective best practices in direct/purchased care for military beneficiaries by modeling**
 - **Other Federal Agencies**
 - **Non-DoD Federal Agencies**
 - **Private Companies**

Discussion
