

Cheryl L. Herbert, BSN, MBA

Currently, Ms. Herbert serves as the President of Dublin Methodist Hospital, which is a part of the OhioHealth Corporation in Columbus, Ohio. As President, her responsibilities include overseeing the Dublin Methodist Hospital's overall organization, including managing 400 full time equivalent employees, as well as the budget of \$191 million. Ms. Herbert has also led planning, design, construction, medical staff development; recruitment and hiring of associates; and the opening of a unique 94-bed community hospital.

Ms. Herbert's previous positions include the President and Chief Executive Office (CEO) of the Morrow County Hospital, which is a managed hospital in the OhioHealth system; Vice President of the Marion General Hospital, which is a member hospital of the OhioHealth system; President of the MedCenter Hospital in Marion, Ohio; and as the Vice President of Patient Care Services at the MedCenter Hospital in Marion, Ohio.

Ms. Herbert received her BSN from Capital University in Columbus, Ohio and her MBA in Executive Management from Ashland University in Ashland, Ohio. Ms. Herbert's professional and civic affiliations include the American College of Healthcare Executives, the VHA Foundation CEO Health Care Safety Network, the Dublin Convention and Visitors Bureau Board, and the Dublin City Schools Business Advisory Council.
