

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

Beckman Coulter DXUM iQ 200 Elite

2. DOD COMPONENT NAME:

Defense Health Agency

Cyber Logistics

3. PIA APPROVAL DATE:

09/26/23

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: Federal contractors, military family members, and foreign nationals are included in general public.)

From members of the general public

From Federal employees

from both members of the general public and Federal employees

Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one.)

New DoD Information System

New Electronic Collection

Existing DoD Information System

Existing Electronic Collection

Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

Beckman Coulter DXUM iQ 200 Elite (DXU) is a urinalysis machine. The DXUM iQ Elite 200 connects two instruments which are the AX-4030 and the iQ 200 via unique serial RS-232 connection and is intended to connect to the Laboratory Information System (LIS) using a serial connection.

Personally Identifiable Information (PII) collected are personnel identifiers and medical information. The categories of individuals that have records in this system are Department of Defense (DoD) Health Care Beneficiaries to include Military Members of the Armed Forces, Military Retirees, and their family members; DoD Civilian Employees; Foreign Nationals; Members of the United States Coast Guard; Public Health Service; Cadets and Midshipmen of the Military Academies; and other categories of individuals who receive medical treatment at DoD Treatment Facilities/Activities. PII is collected from both members of the general public and Federal employees and/or Federal contractors.

Beckman Coulter DXUM iQ 200 Elite is owned and operated by DHA Cyber Logistics.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

The PII is collected for data matching an individual with their medical diagnostic reports and to ensure accuracy when these reports are integrated into the medical records for that individual. The intended use of the PII collected is for mission-related purposes to support the delivery of health care services.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

Individuals do not have the opportunity to object to the collection of their PII because Beckman Coulter DXUM iQ 200 Elite is not the initial point of collection.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Individuals do not have the opportunity to consent to the specific uses of their PII because Beckman Coulter DXUM iQ 200 Elite is not the initial point of collection.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

Privacy Act Statement Privacy Advisory Not Applicable

DXU does not collect PII directly from individuals, therefore; no Privacy Act Statement or Privacy Advisory is required.

h. With whom will the PII be shared through data/system exchange, both within your DoD Component and outside your Component? (Check all that apply)

- | | |
|---|---|
| <input checked="" type="checkbox"/> Within the DoD Component | Specify. DHA Military Treatment Facilities (MTFs) |
| Other DoD Components (i.e. Army, Navy, Air Force) | Specify. |
| <input checked="" type="checkbox"/> Other Federal Agencies (i.e. Veteran's Affairs, Energy, State) | Specify. U.S. Coast Guard
Veterans Administration
Public Health Service
Center for Disease Control |
| State and Local Agencies | Specify. |
| <input checked="" type="checkbox"/> Contractor (Name of contractor and describe the language in the contract that safeguards PII. Include whether FAR privacy clauses, i.e., 52.224-1, Privacy Act Notification, 52.224-2, Privacy Act, and FAR 39.105 are included in the contract.) | Specify. The MTF may utilize contractor services to support this product. DoD policy requires such contracts include language to safeguard PII including FAR clauses: 52.224-1, Privacy Act Notification; 52.224-2, Privacy Act; and FAR 39.105, Privacy. When the contractor has access to PHI, a HIPAA Business Associate Agreement is also required. |
| Other (e.g., commercial providers, colleges). | Specify. |

i. Source of the PII collected is: (Check all that apply and list all information systems if applicable)

- | | |
|--|--------------------|
| Individuals | Databases |
| <input checked="" type="checkbox"/> Existing DoD Information Systems | Commercial Systems |
| Other Federal Information Systems | |

Picture Archiving and Communication System (PACS)
Health Level Seven (HL7)
Digital Imaging and Communications in Medicine (DICOM)_Capable Systems

j. How will the information be collected? (Check all that apply and list all Official Form Numbers if applicable)

- | | |
|--|---|
| E-mail | Official Form (Enter Form Number(s) in the box below) |
| In-Person Contact | Paper |
| Fax | Telephone Interview |
| <input checked="" type="checkbox"/> Information Sharing - System to System | Website/E-Form |
| Other (If Other, enter the information in the box below) | |

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

A system of records notice ("SORN") is not necessary because, although Beckman Coulter DXUM iQ 200 Elite (hereinafter "Beckman Coulter") may collect personally identifiable information ("PII") to match individuals with their medical diagnostic reports and to ensure accuracy when those reports are integrated into an individual's medical records, Beckman Coulter is a urinalysis machine and any reports are integrated into the individual's medical records.

I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

- (1) NARA Job Number or General Records Schedule Authority. GRS 5.2, item 020 (DAA-GRS-2017-0003-0002)
- (2) If pending, provide the date the SF-115 was submitted to NARA.
- (3) Retention Instructions.

FILE NUMBER: 103-14

DISPOSITION: Temporary. Delete no more than 7 years from the date last modified. (See DoD DTM 22-001 on default disposition policies and OSD Records Manager guidance which file number to associate).

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).
 - (a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
 - (b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
 - (c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

10 U.S.C. 136, Under Secretary of Defense for Personnel and Readiness; 10 U.S.C. Chapter 55, Medical and Dental Care; 10 U.S.C. 1073c, Administration of Defense Health Agency and Military Medical Treatment Facilities; 10 U.S.C. 1073d, Military Medical Treatment Facilities; DoD Instruction (DoDI) 6025.18, Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule Compliance in DoD Health Care Programs; and DoD Manual (DoDM) 6025.18, Implementation of Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule in DoD Health Care Programs.

n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes No Pending

- (1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.
- (2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, "DoD Information Collections Manual: Procedures for DoD Public Information Collections."
- (3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.

This system does not require OMB approval because the Beckman Coulter DXUM iQElite 200 does not collect PII directly from individuals.
