## Joint-Incentive Fund VA/DOD Cardiovascular Disease Prevention Project

Visit the Virtual Medical Center (VMC) at [vavmc.com](http://vavmc.com) and register for an account in order to explore the Performance, Health & Wellness Center (PH&WC), an avatar-interactive space where Service Members can learn how to reduce their risk for cardiovascular disease. PH&WC provides active-duty Service Members and Veterans with evidence-based educational resources to help them improve their Total Force Fitness and Whole Health for lifelong wellness. VMC also hosts the Centers for Disease Control's National Diabetes Prevention Program (DPP) which has been adapted for this unique learning environment.
