

UF VARR Appendix for the **May 2014** DoD P&T Meeting

Condition Sets for Uniform Formulary Voluntary Agreements for TRICARE Retail Refunds

(UF-VARR)

The following Condition Sets, as authorized at each listed UF Drug Class Page, identify the conditions under which UF-VARR quotes are to be submitted by the Company.

The Company must submit a separate, complete UF-VARR quote for each Condition Set that applies to the Company's pharmaceutical agents in a given drug class. The Company must record the Condition Set # that applies to a given UF-VARR quote in the appropriate blank on Table 1, Uniform Formulary Refund Quote.

The refund quoted will apply to the resulting UF-VARR if the quoted pharmaceutical agent is selected for inclusion on the UF in no worse than the formulary (2nd) cost share tier. The refund quoted is not contingent on the quoted pharmaceutical agent being selected for inclusion on the BCF or ECF.

No grandfathering: a prior authorization process, would require all patients, regardless of past medication history to complete an adequate trial of the step-preferred agent(s) before a non-step-preferred agent is provided to a user.
