• Questions & Answers
What Constitutes a Cosmetic Procedure?

  – Cosmetic surgery – “Any **elective** plastic surgery performed to reshape normal structures of the body in order to improve the patient’s appearance or self-esteem.”
  – Reconstructive surgery – “Any plastic surgery performed on abnormal structures of the body which are caused by congenital defects, developmental abnormalities, trauma, infection, tumors, or disease. Reconstructive surgery is generally performed to improve function, but may also be done to approximate a normal appearance.”
Elective cosmetic surgery is not a TRICARE covered benefit.

**However**, DoD Health Affairs Policy 05-020 authorizes elective cosmetic surgery in military treatment facilities (MTFs) to “support graduate medical education, board eligibility and certification, and skill maintenance for certified specialists.”

Services are provided on a “space available” basis and limited to:
- TRICARE-eligible beneficiaries (including TRICARE for Life) who will not lose eligibility for at least 6 months.
- Active duty personnel who have written permission from their unit commander.

All patients are fully responsible for surgical fees, applicable institutional and anesthesia charges, as well as the cost of all implants, cosmetic injectables, and other separately billable items associated with elective cosmetic procedures. Patients may also be responsible for follow up care.
MHS Elective Cosmetic Procedure Process

1. **Patient Presents for Surgery Consult**
2. **Provider Examines Patient**
3. **Provider Determines Procedure is Elective Cosmetic**
4. **Provider Completes CSE Superbill (Generates Unofficial Estimate, optional)**
5. **Patient Takes CSE Superbill to MSA Clerk**
6. **MSA Clerk Enters Information into CSE & Generates Official Estimate**
7. **MSA Clerk Prints CSE Report including Letter of Acknowledgment (LOA) and Gives to Patient**
8. **Patient signs LOA & prepays for surgery if scheduled**
Letter of Acknowledgment

1) Advance Payment Required
Estimated charges must be paid, in full, prior to receiving treatment.

2) Prices Subject to Change
Rates are not guaranteed until estimated charges have been paid in full.

3) Additional Charges May Apply
There may be additional charges for ancillary services, as well as unforeseen, but necessary, procedures undertaken during the procedure.

4) Global Periods
Postoperative visits that are unrelated to the original procedure, or that occur after the global period has expired, will incur additional charges.

5) Refunds
Refunds are processed for procedures not performed.

6) Follow-up Care
Follow-up care is not guaranteed in an MTF and in accordance with TPM Chapter 4, Section 1.1, complications of cosmetic surgery procedures are excluded from coverage.
• The DHA UBO Program Office is responsible for providing current rates for elective cosmetic procedures in the Military Health System (MHS)
• The DHA UBO Cosmetic Surgery Estimator (CSE) calculates charges for elective cosmetic procedures
  – Factors in all potential procedure costs, including professional, facility, anesthesia professional fees, and the cost of implants and pharmaceuticals
• Rates used in the CSE are updated annually and are based on what TRICARE will allow
• Released and effective once approved usually around 1 July
• Only procedures included in CSE can potentially be performed as elective cosmetic procedures
  – Procedures may be performed as medically necessary if documented as such
  – Medically necessary procedures are not priced in the CSE
• Many procedures added to CSE because of feedback from the field
  – If you have any suggested elective cosmetic procedures, contact the DHA UBO Helpdesk at ubo.helpdesk@altarum.org
  – DHA review and approval necessary
New CSE codes:

- There are no modifications, additions, or deletions of procedures in v14
Elective Cosmetic Procedure Rate Methodology

Professional Fees

+ Facility Fees

+ Anesthesia Fees

+ Cost of Implants & Pharmaceuticals
  (e.g., Breast Implants, Chin Implants, Botox®, Restylane®)

=TOTAL COST
• CSE v14 contains two types of rates for the institutional cost of a procedure performed in an outpatient setting:
  – Ambulatory Payment Classification (APCs)
    • Used for bedded facilities (Hospitals)
  – Ambulatory Surgical Center (ASCs)
    • Used for non-bedded facilities (Clinics)
• The rates used are determined by DMIS ID
• For some procedures, the cost of the device is included in the APC charge
  – This applies to 9 CSE procedures: 19325, 19342, 19357, 17999-Y2189, 17999-5835, 17999-5837, 65760, 65765, and 65767
  – When generating estimates for these procedures, do not charge for additional devices or implants
Elective Cosmetic Pharmaceutical Guidance

- Pharmaceutical prices pre-populated for: Botox®, Dysport®, and Xeomin®
  - Botox® CY18 TRICARE Allowable Price: $6.15/unit (was $5.94 in CY17)
  - Dysport® CY18 TRICARE Allowable Price: $1.65/unit (was 1.59/unit in CY17)
  - Xeomin® CY18 TRICARE Allowable Price: $5.08/unit (was $4.93 in CY17)
- Ability to override the pre-populated prices if the local MTF pharmacy provides a price for the pharmaceutical
- Unit price needs to be populated for fillers/injectables based on MTF’s cost
- Field for input of chemodenervation pharmaceutical units to allow for more than 50

Instructions for CEU Credit

This in-service webinar has been approved by the American Academy of Professional Coders (AAPC) for 1.0 Continuing Education Unit (CEU) credit for DoD personnel (.mil address required). Granting of this approval in no way constitutes endorsement by the AAPC of the program, content or the program sponsor. There is no charge for this credit.

• **Live broadcast webinar (post-test not required)**
  – Login prior to the broadcast with your: 1) full name; 2) Service affiliation; and 3) e-mail address
  – View the entire broadcast
  – After completion of both of the live broadcasts and after attendance records have been verified, a Certificate of Approval including an AAPC Index Number will be sent via e-mail to participants who logged in or e-mailed as required. This may take several business days.

• **Archived webinar (post-test required)**
  – Complete a post-test available within the archived webinar
  – E-mail answers to UBO.LearningCenter@federaladvisory.com
  – If you receive a passing score of at least 70%, we will e-mail MHS personnel with a .mil email address a Certificate of Approval including an AAPC Index Number

• The original Certificate of Approval may not be altered except to add the participant’s name and webinar date or the date the archived Webinar was viewed. Certificates should be maintained on file for at least six months beyond your renewal date in the event you are selected for CEU verification by AAPC

• For additional information or questions regarding AAPC CEUs, please contact the AAPC.

• Other organizations, such as American Health Information Management Association (AHIMA), American College of Healthcare Executives (ACHE), and American Association of Healthcare Administrative Managers (AAHAM), may also grant credit for DHA UBO Webinars. Check with the organization directly for qualification and reporting guidance.
