

MILITARY HEALTH SYSTEM MHS GENESIS

Patient Portal

MHS GENESIS
Patient Portal

*Learn More
Today!*

The Military Health System's new MHS GENESIS Patient Portal, allows patients to:

- Monitor your health information
- See laboratory and test results
- Update your patient portal
- Make appointments
- Exchange secure messages with your care team

To access the new
MHS GENESIS Patient Portal, visit
patientportal.mhsgenesis.health.mil.

The MHS GENESIS Patient Portal is available where the new electronic health record is in use.

For support relating to MHS GENESIS issues,
please contact: the Global Support Center (GSC)
at 1-800-600-9332.
