2014 May  Deployment-related conditions of special surveillance interest
2014 March  Deployment-related conditions of special surveillance interest
2014 February  Deployment-related conditions of special surveillance interest
2013 June  Deployment-related conditions of special surveillance interest
2012 June  Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011

Anemia

Anthrax vaccine

2001 May/June  Acute Side Effects of Anthrax Vaccine in ROTC Cadets Participating In Advanced Camp, Fort Lewis, 2000

Appendicitis

2012 December  Appendicitis and appendectomies, active and reserve components, U.S. Armed Forces, 2002-2011

MSMR Index July 2019
2012 December Appendicitis and appendectomies among non-service member beneficiaries of the Military Health System, 2002-2011
2012 December Seasonal variation in incident diagnoses of appendicitis among beneficiaries of the Military Health System, 2002-2011

Applicants

2018 September Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2013-June 2018
2013 August Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2008-June 2013
2012 August Updates: Routine screening for antibodies to human immunodeficiency virus, type 1 (HIV-1), civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2010 September Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2009 August Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
2008 July/August Updates: routine screening for antibodies to HIV-1 among civilian applicants for U.S. Military Service; U.S. Army and U.S. Air Force, active and reserve components; U.S. Navy and Marine Corps, Active Duty
2005 July/August Update: Human immunodeficiency virus, type 1 (HIV-1) antibody screening among active and Reserve component soldiers and civilian applicants for military service, January 1990-June 2005
2004 July/August Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2004
2003 July/August Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2003
2002 July Human immunodeficiency virus type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2002
2001 July Human Immunodeficiency Virus, Type 1, antibody screening among soldiers and civilian applicants for military service, 1985-2001
1999 June/July Civilian applicants for service
1998 July/August HIV-1 testing, civilian applicants for service
1997 July/August Prevalence of HIV-1, civilian applicants
1996 June/July Prevalence of HIV-1, civilian applicants
1995 June Prevalence of HIV-1, civilian applicants

ARD, respiratory

2019 February Outbreak of acute respiratory illness associated with adenovirus type 4 at the U.S. Naval Academy, 2016
2018 October Department of Defense end-of-season influenza vaccine effectiveness estimates for the 2017-2018 season
2018 October Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2013-April 2018
2018 August Sampling considerations for detecting genetic diversity of influenza viruses in the DoD Global Respiratory Pathogen Surveillance Program

MSMR Index July 2019
Outbreak of influenza and rhinovirus co-circulation among unvaccinated recruits, U.S. Coast Guard Training Center Cape May, NJ, 24 July–21 August 2016

Brief report: Department of Defense Global, Laboratory-based Influenza Surveillance Program’s influenza vaccine effectiveness estimates and surveillance trends for 2016–2017 influenza season

Assessment of 12 influenza-like illness case definitions using Department of Defense Global, Laboratory-based Influenza Surveillance Program data, 2011–2014

Surveillance snapshot: Respiratory infections resulting in hospitalization, U.S. Air Force recruits, October 2010–February 2017

Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees

Assessment of ICD-9-based case definitions for influenza-like illness surveillance

Measles and mumps among service members and other beneficiaries of the U.S. Military Health System, January 2007–December 2014

Influenza A(H3N2) outbreak at Transit Center at Manas, Kyrgyzstan, 2014

Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012

Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?

Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012

Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012

Surveillance Snapshot: adenovirus among U.S. military recruit trainees

Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009

Pneumonia-influenza and severe acute respiratory illnesses, active component, U.S. Armed Forces, January 2000-June 2012

Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012

Acute respiratory disease, basic training centers, U.S. Army, March 2006-March 2008

Acute respiratory disease, basic training centers, U.S. Army, March 2008-March 2010

Acute respiratory disease, basic training centers, U.S. Army, April 2006-April 2008

Acute respiratory disease, basic training centers, U.S. Army, February 2007-February 2009

Acute respiratory disease, basic training centers, U.S. Army, January 2006-January 2008

Acute respiratory disease, basic training centers, U.S. Army, December 2006-December 2008

Brain

2017 August Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
2016 July Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2015 February Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 June Incident diagnoses of common symptoms (“sequelae”) following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 May Epilepsy in active component service members, 1998-2012
2011 May Surveillance Snapshot: Emergency departments visits for traumatic brain injury
2008 December Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
2008 October Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina

Breast

2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2009 October Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

Brucellosis

2004 July/August Brucellosis in a soldier who recently returned from Iraq

Bunion

Burden

2019 May Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2018
2019 May Hospitalizations, active component, U.S. Armed Forces, 2018
2019 May Ambulatory visits, active component, U.S. Armed Forces, 2018
2019 May Surveillance snapshot: Illness and injury burdens, reserve component, U.S. Armed Forces, 2018
2019 May Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2018
2019 May Morbidity burdens attributable to various illnesses and injuries, deployed active and reserve component service members, U.S. Armed Forces, 2018

Cardiovascular disease

2019 January Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001–31 December 2017

Carpal tunnel

2011 July Carpal tunnel syndrome, active component, U.S. Armed Forces, 2000-2010

Case

2019 July Case report: Possible psittacosis in a military family member—clinical and public health management issues in military settings
2019 February Re-evaluation of the MSMR Case definition for Incident Cases of Malaria
2019 January Acute flaccid myelitis: Case report
2015 September Assessment of ICD-9-based case definitions for influenza-like illness surveillance
2009 December Deriving case counts from medical encounter data: considerations when interpreting health surveillance report
2008 October Notice to readers: New surveillance case definition for traumatic brain injury (TBI)

Cellulitis, abscess

2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2013 December Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
2013 December Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2006 May/June Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005

Characteristics

2013 November Surveillance snapshot: age and gender distribution of service members, active component, U.S. Armed Forces, compared to the U.S. population, 2011
2006 April Characteristics, demographic and military, U.S. Armed Forces, 2005
2004 May/June  Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003
2003 April  Characteristics, demographic and military, U.S. Armed Forces, 2002
2002 March/April  Characteristics of active duty personnel
2001 April  Characteristics of active duty personnel

Chlamydia

2019 July  Case report: Possible psittacosis in a military family member—clinical and public health management issues in military settings
2019 March  Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2016 February  Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February  Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2014 November  Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
2013 September  Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 February  The changing landscape of controlling sexually transmitted infections in the U.S. Military
2013 February  Sexually transmitted infections, active component, U.S. Armed Forces, 2000-2012
2013 February  Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
2013 February  Chlamydia trachomatis screening initiative among U.S. Army soldiers assigned to Korea
2010 August  Brief report: Recurrent chlamydia diagnoses, active component, 2000-2009

Coccidioidomycosis

2018 April  Coccidioidomycosis, active component, U.S. Armed Forces, 2007–2017
2014 June  The geographic distribution of incident coccidioidomycosis among active component service members, 2000–2013
2012 December  Pulmonary and extrapulmonary coccidioidomycosis, active component, U.S. Armed Forces, 1999-2011
2012 December  Historical perspective: coccidioidomycosis in the U.S. military and military-associated populations
2012 September  Coccidioidomycosis, active component, U.S. Armed Forces, January 2000-June 2012
2010 December  Surveillance snapshot: Coccidioidomycosis diagnoses by location, active component, 2000-2009

Cold, CWI

2018 October  Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2013–June 2018
2017 October  Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2012–June 2017
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2012 October Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2007-June 2012
2010 October Cold weather injuries, U.S. Armed Forces, July 2005 - June 2010
2005 Sep/Oct Cold injuries, active component members, U.S. Armed Forces, July 2000-June 2005
2000 December Cold weather injuries, active duty soldiers
1998 January Heat / cold injuries
1997 January Cold weather injuries in active duty soldiers
1997 January Heat / Cold weather injuries
1997 January Cold weather training guidelines
1996 December Reported heat and cold weather injuries
1996 October Heat / Cold weather injuries
1996 June/July Heat / Cold weather injuries, Jan - Jun, 1996
1996 May Heat / Cold weather injuries, Jan - Apr, 1996
1996 February Cold weather injuries, Ft. Drum, NY
1996 January Surveillance Trends: CWI hospitalization rates
1996 January Heat / Cold weather injuries
1995 October Heat / Cold weather injuries
1995 August Heat / Cold weather injuries, Jan - Jul, 1995
1995 July Heat / Cold weather injuries
1995 April Heat / Cold weather injuries

Combat

2018 July Major deployment-related amputations of lower and upper limbs, active and reserve components, U.S. Armed Forces, 2001–2017
2013 July Editorial: The mental health of our deploying generation
2012 February Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011
2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
2009 September Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007
2008 May Prescriptions for psychotropic medications within one year before deployment: the experience of a U.S. Army combat unit, 2007
2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
2000 November Noncombat gunshot injuries, active duty servicemembers, 1990 - 1999

Complementary

2016 July Use of complementary health approaches at military treatment facilities, active component, U.S. Armed Forces, 2010–2015

MSMR Index July 2019
Completeness

2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty service members, U.S. Army medical treatment facilities, 1995-2003
2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty service members, U.S. Air Force medical treatment facilities, 1998-2003
2004 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty service members, U.S. Naval medical treatment facilities, 1998-2002
2003 July/August Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2002
2002 July Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2001
2001 May/June Completeness and Timeliness of Reporting of Hospitalized Notifiable Cases, U.S. Army, 2000
2000 December Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January - June 2000
2000 July Completeness and timeliness, 1999
1999 December Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1999 - June 1999
1999 May Completeness and timeliness of reporting
1998 December Completeness and timeliness of reporting
1998 May/June Completeness and timeliness of required disease reporting
1997 November Completeness and timeliness of required disease reporting
1997 March Completeness and timeliness of required disease reporting

2014 August Deployment-related conditions of special surveillance interest
2009 August Deep vein thromboembolism among members of active and reserve components, U.S. Armed Forces, 1999-2008
Emergency

2011 May Trends in emergency medical and urgent care visits, active component, U.S. Armed Forces, 2000-2010
2011 May Surveillance Snapshot: Emergency departments visits for traumatic brain injury

Encephalitis

1998 December Tick-borne encephalitis vaccine, Bosnia-Herzegovina

Endocrine

2019 March Testosterone replacement therapy use among active component service men, 2017
2018 December Thyroid disorders, active component, U.S. Armed Forces, 2008–2017
2018 December Incidence and prevalence of the metabolic syndrome using ICD-9 and ICD-10 diagnostic codes, active component, U.S. Armed Forces, 2002–2017
2012 October Thyroid disorders among active component military members, U.S. Armed Forces, 2002-2011

Envenomation, Venom, Bite

2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
2009 June Surveillance Snapshot: Envenomations
2007 December Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007
2000 March Envenomations of active duty soldiers, October 1997 - September 1999
1997 November Arthropod, lizard, and snake envenomations
1997 May/June Brown recluse spider bites among infantry trainees

Epilepsy

2013 May Epilepsy in active component service members, 1998-2012

Esophagus

Evacuations

2019 May Medical evacuations out of the U.S. Central Command, active and reserve components, U.S. Armed Forces, 2018
2019 January Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001– 31 December 2017
2018 July Update: Medical evacuations, active and reserve components, U.S. Armed Forces, 2017
2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

**Eye**

MSMR Index July 2019
2015 March Incidence and prevalence of diagnoses of eye disorders of refraction and accommodation, active component service members, U.S. Armed Forces, 2000–2014
2011 May Eye injuries, active component, U.S. Armed Forces, 2000-2010

Female, Women
2019 June Female infertility, active component service women, U.S. Armed Forces, 2013–2018
2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spousals, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 September Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.
2013 September Surveilliance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012
2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2013 September Surveilliance snapshot: births, active component service women, U.S. Armed Forces, 2001-2012
2012 July Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010
2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
2011 December Brief report: Births, active component, 2001-2010
2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Fevers, various

2019 July Case report: Possible psittacosis in a military family member—clinical and public health management issues in military settings

2013 March Mid-season influenza vaccine effectiveness for the 2012-2013 influenza season
2012 September Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012
2011 September Surveillance Snapshot: Influenza immunization among healthcare workers
2010 January Surveillance Snapshot: Influenza reportable events, service members and other beneficiaries, 2009-2010
2009 October Policy brief: Department of Defense vaccine guidance for novel H1N1 influenza
2009 September Surveillance Snapshot: Influenza immunizations among health care workers
2009 September Preliminary report: Outbreak of novel H1N1 influenza aboard USS Boxer, 29 June - 31 July 2009
2009 May Surveillance Snapshot: Influenza A and B, service members and beneficiaries, April - May 2009
2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
2006 Jan/Feb Pneumonia and influenza among non-military beneficiaries of the U.S. military health system, January 2001 - December 2004
1998 December Outbreak of parainfluenza type 1 respiratory illness, Fort Sill
1998 Feb/Mar Influenza outbreak, U.S. Navy, Hawaii
1997 February Influenza at Aberdeen Proving Ground
1996 December Air Force Influenza Surveillance Program
1996 October 1996-97 Influenza immunization guidelines
1995 December GBS following Influenza immunization
1995 October Influenza immunization guidelines, 1995-96
1995 April Influenza-like illness, Ft Benning

Injury

2018 November Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2013–June 2018
2018 November Brief report: Increased number of possible rabies exposures among U.S. healthcare beneficiaries treated in military clinics in southern Germany in 2016

MSMR Index July 2019
2018 September Fireworks injuries, active component, U.S. Armed Forces, 2008–2017
2018 July Major deployment-related amputations of lower and upper limbs, active and reserve components, U.S. Armed Forces, 2001–2017
2017 October Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2012–June 2017
2016 December Deployment-related conditions of special surveillance interest
2016 July Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2016 June Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
2016 June Deployment-related conditions of special surveillance interest
2016 May Deployment-related conditions of special surveillance interest
2015 February Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
2013 June Incident diagnoses of common symptoms (“sequelae”) following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
2013 June Deployment-related conditions of special surveillance interest
2012 September Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011

2012 September Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces

2012 June Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011

2012 February Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010

2012 February Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011

2011 October Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011

2011 June Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010

2011 May Eye injuries, active component, U.S. Armed Forces, 2000-2010

2011 May Surveillance Snapshot: Emergency departments visits for traumatic brain injury

2011 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010

2010 October Illness and injury diagnoses within six months before retirement after 20 or more years of active service, active component, U.S. Armed Forces, 2000-2009

2010 October Cold weather injuries, U.S. Armed Forces, July 2005 - June 2010

2010 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009

2010 April Surveillance Snapshot: Illness and injury burdens among U.S. military recruits

2010 February Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009

2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces

2009 June Lightning strike injuries, active component, U.S. Armed Forces, 1999-2008

2009 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008

2008 December Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008

2008 October Notice to readers: New surveillance case definition for traumatic brain injury (TBI)

2008 April Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007

2008 January Hospitalizations for assault-related injuries, active component, U.S. Armed Forces, January 1998-

2008 June 2007

MSMR Index July 2019
### Metabolic

- **2019 January** Non-alcoholic fatty liver disease (NAFLD), active component, U.S. Armed Forces, 2000–2017

### Methods, surveillance

- **2019 February** Re-evaluation of the MSMR Case definition for Incident Cases of Malaria
Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
Sources of variability of estimates of malaria case counts, active and reserve components, U.S. Armed Forces
Deriving case counts from medical encounter data: considerations when interpreting health surveillance report
Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010
Risk factors for migraine after OEF/OIF deployment, active component, U.S. Armed Forces
Migraines and other headaches, active components, U.S. Armed Forces, 2001-2007
Migraines among active duty military personnel, 1998-1999
Infectious mononucleosis, active component, U.S. Armed Forces, 2002–2018
Infectious Mononucleosis among Active Duty U.S. Servicemembers, 1998-1999
Pseudo-outbreak Associated with False Positive Laboratory Tests for Mononucleosis, Lackland Air Force Base, January-February 1999
Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2018
Morbidity burdens attributable to various illnesses and injuries, deployed active and reserve component service members, U.S. Armed Forces, 2018
Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2018
Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010
Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007
Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006
Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003
Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999
Morbidity surveillance, field training exercise, Thailand
Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014

MSMR Index July 2019
MTF

1995 April Reports submitted by MTFs

Multiple sclerosis

2017 August Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016

Mumps

2017 October Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
2007 Feb/Mar Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
2006 October Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004

Musculoskeletal disorders

2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2013 June Arm and shoulder conditions, active component, U.S. Armed Forces, 2003-2012
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2000 August Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999
1998 Oct/Nov Hospitals and outpatient visits, musculoskeletal disorders

Myocardial infarction

2019 January Cardiovascular disease-related medical evacuations, active and reserve components, U.S. Armed Forces, 1 October 2001– 31 December 2017

Neoplasm

2017 July Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
2017 February Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
2016 December Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–
2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2012 June Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011
2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2009 October Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009

Neurological disorders

2019 January Acute flaccid myelitis: Case report
2017 August Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
2016 July Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
2015 February Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
2015 February Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
2013 May Epilepsy in active component service members, 1998-2012
2012 February Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010
2011 October Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010

Noise

2011 June Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010

Non-effective

1997 March Hospitalizations and non-effective days, 1996
1997 March Non-effective rates, active duty hospitalizations
1996 April Non-effective rates
1995 April Non-Effective Rates

Norovirus

2019 June Norovirus outbreak in Army service members, Camp Arifjan, Kuwait, May 2018
2018 August Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2017 July Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
2017 June Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach
2011 November Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
2011 November Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection
2011 November Historical perspective: Norovirus gastroenteritis outbreaks in military forces
2007 May Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006

Nosocomial infection

2013 August Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

Notices to Readers

2016 January MSMR’s invitation to readers
2015 October Invitation to MSMR readers
2015 September Invitation to MSMR readers
2015 August Invitation to MSMR readers
2015 July Invitation to MSMR readers
2015 June Invitation to MSMR readers
2015 May Invitation to MSMR readers
2011 November Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection
2011 January Notices to Readers

Obesity, Overweight, Body Mass Index, Eating

2018 December Incidence and prevalence of the metabolic syndrome using ICD-9 and ICD-10 diagnostic codes, active component, U.S. Armed Forces, 2002–2017
2011 June Duration of Service after Overweight-related Diagnoses, active component, U.S. Armed Forces, 1998-2010
2011 January Diagnoses of overweight/obesity, active component, U.S. Armed Forces, 1998-2010
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
2000 August Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999

Palsy

Papillomavirus, human (HPV)

2019 March Sexually transmitted infections, active component, U.S. Armed Forces, 2010–2018
2018 September Human papillomavirus vaccine initiation, coverage, and completion rates among U.S. active component service members, 2007–2017
2017 September Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
2013 February Human papillomavirus seroprevalence among men entering military service and seroincidence after ten years of service
2013 February Incidence of genital warts among U.S. service members before and after the introduction of the quadrivalent human papillomavirus vaccine
2012 May Brief report: quadrivalent human papillomavirus vaccine initiation, coverage, and compliance among active component service women, 2006-2011

Pertussis

2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2014 June Surveillance snapshot: states with the most pertussis diagnoses among service members and other beneficiaries of the Military Health System, January 2012–June 2014
2012 August Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2005-June 2012
2010 December Surveillance snapshot: Pertussis diagnoses among service members and other beneficiaries of the U.S. Military Health System, January 2008-November 2010

Pilonidal cyst

MSMR Index July 2019
MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

2013 December Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012

Plantar fasciitis
2010 July Surveillance snapshot: Plantar fasciitis

Pneumococcus
2009 March Field investigation: Fatal pneumococcal meningitis, Fort Leonard Wood, Missouri, February 2009
2009 March Surveillance snapshot: Immunization against and incidence of pneumococcal disease
1999 May Pneumococcal pneumonia outbreak, Fort Benning

Pneumonia
2019 July Case report: Possible psittacosis in a military family member—clinical and public health management issues in military settings
2015 September Deployment-related conditions of special surveillance interest
2015 July Deployment-related conditions of special surveillance interest
2015 June Deployment-related conditions of special surveillance interest
2015 May Deployment-related conditions of special surveillance interest
2014 May Deployment-related conditions of special surveillance interest
2013 May Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
2012 September Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012
2006 Jan/Feb Pneumonia and influenza among non-military beneficiaries of the U.S. military health system, January 2001 - December 2004
1999 May Pneumococcal pneumonia outbreak, Fort Benning
1997 February Pneumonia among active duty soldiers 1990-1996

Poisoning, Exposure
2011 November Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010

MSMR Index July 2019
2001 February Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany
1997 December Carbon monoxide intoxication, Ft. Hood and Ft. Campbell
1995 December Hydrogen sulfide exposure, Ft Irwin
1995 April Chemical agent exposure, Germany

Pregnancy, Childbirth

2019 June Female infertility, active component service women, U.S. Armed Forces, 2013–2018
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 August Letter to the Editor
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Brief report: Births, active component, 2001-2010
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999
1995 October Mefloquine use in pregnant soldiers

Prescriptions, Medications

2019 March Testosterone replacement therapy use among active component service men, 2017
2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2015 September Brief report: Rate of prescriptions by therapeutic classification, active component, U.S. Armed Forces, 2014

Reportable, Notifiable

2019 February Update: Malaria, U.S. Armed Forces, 2018
2019 February Re-evaluation of the MSMR Case definition for Incident Cases of Malaria
2018 February Update: Malaria, U.S. Armed Forces, 2017

MSMR Index July 2019
Completeness and timeliness of reporting of notifiable medical conditions, active component, U.S. Armed Forces, 2008–2014

Reported gastrointestinal infections in the U.S. Air Force, 2000–2012

The Reportable Events Monthly Report (REMR)

Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis

Sentinel reportable medical events, service members and other beneficiaries of the U.S. military health system, first calendar quarter, 2012 versus 2011

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through November of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through October of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through September of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through August of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through July of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through June of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through May of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through April of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through March of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through February of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through January of 2009 and 2010

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through December of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through November of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through October of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through September of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through August of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through July of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through June of 2008 and 2009

Sentinel reportable medical events, service members and beneficiaries, U.S. Armed Forces, cumulative numbers through May 2008 through May 2009

Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through April 2009

Reportable medical events, active and Reserve components, U.S. Armed Forces, 2009

Reportable medical events, active component, U.S. Armed Forces, cumulative numbers through January 2008 and January 2009

Sentinel reportable medical events, active component, U.S. Armed Forces, cumulative numbers through December 2007 and December 2008

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.
2008 December Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through November 2007 and November 2008
2008 November Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through October 2007 and October 2008
2008 September Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through August 2007 and August 2008
2008 October Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through September 2007 and September 2008
2008 July/August Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through July 2007 and July 2008
2008 May Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through April 2006 and April 2007
2008 April Reportable medical events, active components, U.S. Armed Forces, 2007
2008 Feb/Mar Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers through February 2006 and February 2007
2008 January Sentinel reportable medical events, active components, U.S. Armed Forces, cumulative numbers for calendar years 2006 and 2007
2007 May Reportable Medical Events, active components, U.S. Armed Forces, 2006
2007 April Reportable medical events, active components, U.S. Armed Forces, 2006

Shigella

2018  August  Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
2014  June  Reported gastrointestinal infections, active component, U.S. Armed Forces, 2000–2012
1997  July/August  Shigella sonnei, Fort Bragg, North Carolina
1996  November  Shigella sonnei diarrheal outbreaks
1996  April  Shigellosis case reports, WRAMC

Skin, Rash, Dermatitis

2018  March  Herpes zoster, active component, U.S. Armed Forces, 2000-2016
2015  July  Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2014  August  Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014
2013  December  Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
2013  December  Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
2013  January  Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2011  July  Plant dermatitis, active component, U.S. Armed Forces, 2001-2010
1996  Aug/Sep  Rash illness outbreak among British Soldiers
1996  April  Rash outbreaks, U.S. forces operating in Belgium
1995  September  Dermatitis outbreak, Heidelberg, Germany

2010 May Surveillance Snapshot: Sleep studies

Snake
1997 November Arthropod, lizard, and snake envenomations

Spider
1997 May/June Brown recluse spider bites among infantry trainees

Spine
2016 January Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
2012 May Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
2010 July Thoracolumbar spine fractures, active and reserve components, 2000-2009

Staphylococcal infections
2018 August Brief report: Pre- and post-deployment prevalence of Staphylococcus aureus colonization among U.S. Navy submariners
2015 July Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
2013 January Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
2007 December Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007

Stone
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010

Strength
2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2003 Sep/Oct Active duty force strength by medical treatment facility locations, U.S. Army
2002 July Active duty force strength by military treatment facility, U.S. Army, April 2002
2002 March/April Characteristics of active duty personnel
2001 April Characteristics of active duty personnel
2001 January Supplement #1: Reportable medical events; Reportable events, by quarter, 2000; Reportable events, by patient category, 1999-2000; Active duty force strength (September 2000)
2000 Sep/Oct Active duty force strength (June 2000)
2000 August Force Strength, Active Duty Soldiers, April 2000
2000 April Force strength, U.S. Army, December 1999
2000 February Correction: Force strength, active duty soldiers (September 1999)
2000 January Supplement #1: Reportable medical events; Reportable events, by quarter, 1999; Reportable events, by patient category, 1998-1999; Active duty force strength (September 1999)
1999 Oct/Nov Active duty force strength (June 1999)
1999 June/July Active duty force strength (March 1999)
1999 June/July Active duty, 1985-1999
1999 April Force strength (December 1998)
1999 Jan/Feb Active duty force strength, September 1998
1998 Oct/Nov Active duty force strength (June 1998)
1998 July/August Active duty force strength (March 1998)
1998 April Force strength (December 1997)
1998 January Force strength (September 1997)
1997 October Force strength (June 1997)
1997 July/August Force strength (March 1997)
1997 March Force strength (December 1996)
1997 January Force strength (September 1996)
1996 December Force Strength (June, 1996)
1996 April Force strength (December 1995)
1996 January Force strength (September 1995)
1995 October Force strength (June 1995)
1995 July Force strength (March 1995)
1995 April Force strength (December 1994)

Streptococcal infections

2013 June Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012
2010 April Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
2007 Sep/Oct Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
1997 February Group A beta hemolytic streptococcus among trainees
1995 November Streptococcal TSS - Fort Leonard Wood, MO

Strongyloides

1996 May Strongyloides stercoralis hyperinfection

Substance, drug use

2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2018 March Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
2012 November Substance Use Disorders in the U.S. Armed Forces, 2000-2011

Suicide

2018 June Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
2014 October Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment

Cluster of vivax malaria in U.S. soldiers training near the demilitarized zone, Republic of Korea during 2015

Update: Malaria, U.S. Armed Forces, 2017

Diagnostic evaluation of military blood donors screening positive for Trypanosoma cruzi infection

Incident diagnoses of leishmaniasis, active and reserve components, U.S. Armed Forces, 2001–2016

Update: Malaria, U.S. Armed Forces, 2016

Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016

Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016

Update: Malaria, U.S. Armed Forces, 2015

Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015

Case report: Probable murine typhus at Joint Base San Antonio, TX

Case series: Chikungunya and dengue at a forward operating location

Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States

The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013

Editorial: the military and its potential role in malaria elimination

Report of two cases of vivax malaria in U.S. soldiers and a review of malaria in the Republic of Korea

Surveillance snapshot: self-reported malaria prophylaxis compliance among service members with diagnosed malaria, 2008-2013

Images in health surveillance: dengue and chikungunya virus vectors and prevention

Update: Malaria, U.S. Armed Forces, 2012

Confirmed malaria cases among active component U.S. Army personnel, January-September 2012

Editorial: presumptive anti-relapse treatment for malaria in military forces

Images in health surveillance: permethrin treatment of uniforms

Images in health surveillance: West Nile virus vectors and prevention

Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis

Five most common arthropod-borne diseases among active duty servicemembers in the U.S. Armed Forces, 1995-1999

Deployment-related conditions of special surveillance interest
2015 August Deployment-related conditions of special surveillance interest
2015 June Deployment-related conditions of special surveillance interest
2015 May Deployment-related conditions of special surveillance interest
2014 August Deployment-related conditions of special surveillance interest
2014 June Deployment-related conditions of special surveillance interest
2014 May Deployment-related conditions of special surveillance interest
2014 April Deployment-related conditions of special surveillance interest
2014 March Deployment-related conditions of special surveillance interest
2014 February Deployment-related conditions of special surveillance interest
2013 June Deployment-related conditions of special surveillance interest
2009 August Deep vein thromboembolism among members of active and reserve components, U.S. Armed Forces, 1999-2008

Women, female

2019 June Female infertility, active component service women, U.S. Armed Forces, 2013–2018
2016 February Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
2016 February Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011–2012
2016 February Sexually transmitted infections in U.S. Air Force recruits in basic military training
2016 February Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
2016 February Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
2015 June Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
2015 May Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
2015 May Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
2013 September Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
2013 September Female infertility, active component service women, U.S. Armed Forces, 2000-2012
2013 September Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012

MSMR Index July 2019
2013 September Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
2013 September Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
2013 September Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012
2013 September Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
2012 July Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
2012 July Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
2011 December Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
2011 December Urinary stones, active component, U.S. Armed Forces, 2001-2010
2011 December Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
2011 December Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
2011 December Brief report: Births, active component, 2001-2010
2011 December Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
2010 November Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
2009 November Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2009 October Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
2008 May Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
2001 July Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces, 1997-1999

Zika virus

2019 July Zika virus surveillance in active duty U.S. military and dependents through the Naval Infectious Diseases Diagnostic Laboratory
2016 December Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
2016 May Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016

Zoonoses

2019 July Case report: Possible psittacosis in a military family member—clinical and public health management issues in military settings
2019 April Modeling Lyme disease host animal habitat suitability, West Point, New York
2019 January Historical perspective: Leptospirosis outbreaks affecting military forces
