

FOIA 09032

8. Unduplicated total number of unique military beneficiaries with a diagnosis of an ASD as of 31 December 2008 for only calendar year 2008 that received payment for anything under the TRICARE ECHO Program or separately through the Autism ABA Demonstration other than ABA therapy per CPT code 99199 or HCPCS codes S5108 and H2019, or respite care per CPT code 99600. I am seeking the same breakdown by diagnosis code as listed in item #1.
