## Third Party Outpatient Collection System (TPOCS)

**TPOCS creates medical insurance claims plus laboratory, radiology and pharmacy claims. It also tracks collections from insurance companies that support the Defense Health Agency.**

### Product Features

- Perform electronic billing
- Process clinical data into required claims forms
- Deliver detailed financial reports automatically
- Create and produce both ADHOC and standard financial reports
- Produce Military Affirmative Claims (MAC)

### Benefits to the Defense Health Agency

- Provide an effective mechanism for military treatment facilities in identifying, recording, billing and collecting reasonable costs for outpatient care
- Monitor funds paid or denied by insurance companies
- Supports military legal community by producing MAC
