

FACT SHEET

MHS HR NEWSWIRE

INSTANT ACCESS TO LATEST MHS HR NEWS

MHS HR NewsWire gives users instant access to the latest Human Resources (HR) news related to the Military Health System (MHS).

Produced for the Military Health System (MHS) Human Resources department, this application provides users with news articles, highlighted job openings, key dates, and contact information right at the user's fingertips.

This app was produced by the Web & Mobile Technology (WMT) Program Management Office, part of the Defense Health Agency (DHA) Solution Delivery Division. WMT provides web and mobile solutions to the DHA and other Department of Defense and Veterans Affairs organizations.
