

FACT SHEET MEDICAL EDUCATION AND TRAINING CAMPUS (METC)

CONVENIENT CAMPUS GUIDE

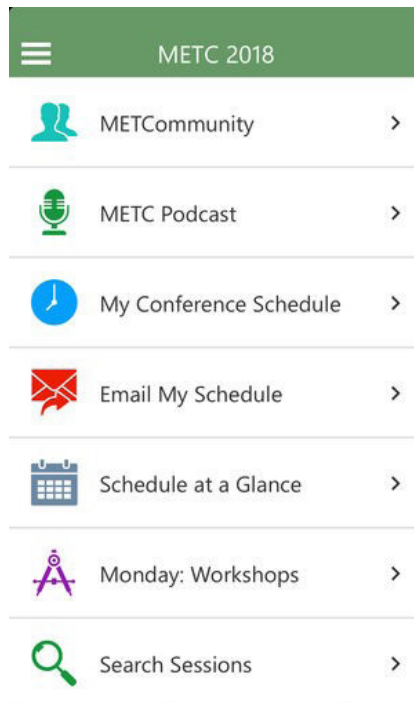

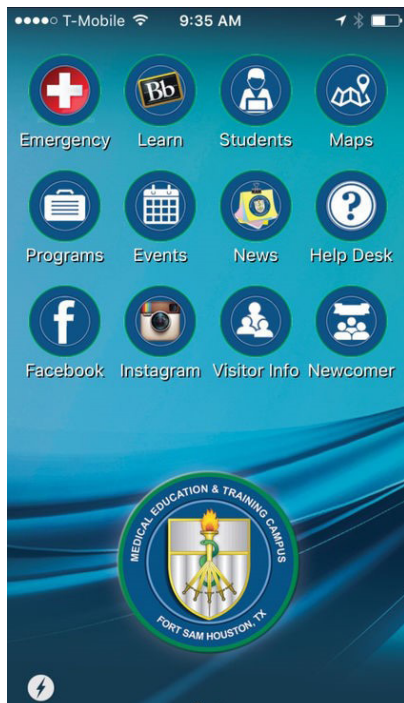

Medical Education and Training Campus (METC) Mobile provides users quick, easy access to useful information about the San Antonio, TX school.

METC Mobile provides users instant access to a broad range of useful information, including the campus map, program catalog, student resources, METC news and visitor and newcomer information.

The app also helps users build connections with the school, with features like METCommunity, a campus message board, and the METC Podcast. METC Mobile also allows users to track and email their schedules, view daily workshops and search sessions, among other features.

This app is available for free download to iPhone and Android devices. It was produced by the Web & Mobile Technology (WMT) Program Management Office, part of the Defense Health Agency (DHA) Solution Delivery Division. WMT provides web and mobile solutions to the DHA and other Department of Defense and Veterans Affairs organizations.
