# PRIVACY IMPACT ASSESSMENT (PIA)

**PRESCRIBING AUTHORITY**: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

**1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:**

AGFA NX Family of Systems (CR/DR)_vNX27_A&I

**2. DOD COMPONENT NAME:**

Defense Health Agency

**3. PIA APPROVAL DATE:**

11/02/2026

Medical Devices and Equipment Program Management Office

## SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

**a. The PII is:** *(Check one. Note: Federal contractors, military family members, and foreign nationals are included in general public.)*

- ☐ From members of the general public
- ☐ From Federal employees
- ☒ from both members of the general public and Federal employees
- ☐ Not Collected *(if checked proceed to Section 4)*

**b. The PII is in a:** *(Check one.)*

- ☐ New DoD Information System
- ☐ New Electronic Collection
- ☒ Existing DoD Information System
- ☐ Existing Electronic Collection
- ☐ Significantly Modified DoD Information System

**c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.**

1. AGFA NX Family of Systems (CR/DR) vNX27 A&I is a family of CR/DR Modality Workstations (software + hardware), supporting the CR/DR radiology workflow and diagnosis inclusive image processing. The application will run on off-the-shelf PC's based on the Windows 11 operating system. Agfa's NX workstation is indicated for use in general projection radiographic applications for the display of diagnostic quality radiographic images of human anatomy for adult, pediatric and neonatal examinations captured from DR and CR systems. The NX system in combination with the DR detectors and CR digitizers may be used wherever conventional screenfilm systems, CR or DR systems may be used. The NX workstation is also indicated for use in mammography applications in combination with specific cleared CR mammography digitizers. The NX workstation is not indicated for use for mammography in combination with non-cleared CR digitizers or DR detectors. The system supports the production of ionizing radiation and the digital acquisition of images to produce diagnostic digital medical images for interpretation by a physician supporting the healthcare mission. May exist in a chest/wall stand and/or a system table to support various radiological exam procedures. Covered items are the AGFA NX user console (Windows 11 OS) and either the AGFA DR; XD;XD+;XF+ 10 /14/ 17 DR Panels and a Detector Interface Hub/Access Pt (wired configurations), or the AGFA DR; XD;XD+;XF+ 10 /14/ 17 DR Panels and HP Wireless Access Point/Panel Interface Hub (wireless configurations). Models included within Family are the (Tube Assembly, Table, Generator, Chest Stand, etc.): DX-D 100, DX-D 400, DX-D 600, DR 100, DR 400, DR 600, DR 800, DX-D 300, Valory Floor, and Valory OverheadTubeConsole (OTC). Software compromises of .Net 4, Vieworks VDI Detector, Thales TRI Software Detector, Agfa Musica Analytics, Aruba Firmware, MS SQL Server 2022, and Windows 11 Pro. PII can exist both in transit or at rest on system. An internal hard drive is configurable to retain data between 1 and 999 days. Information can be transferred to cassette via RF, exported via CD/DVD by authorized users, or communicated over WLAN. System is network capable but resides on its own segregated LAN. HBSS cannot be installed on system, though Bitlocker can be used for endpoint protection. Workstation is locally scannable by site administrators during off-hours, but other system components are not able to be scanned.

2. Personally Identifiable Information Included Birth Date, Sex, Name, ID Number, and Protected Health Information (PHI).

3. The categories of individuals about whom PII and PHI are collected include Federal employees, Active Duty and Reserve Service Members (Air Force, Army, Navy, Marines, and Space Force), Family Members, National Guard Personnel and other individuals authorized treatment at Military Facilities).

**d. Why is the PII collected and/or what is the intended use of the PII?** *(e.g., verification, identification, authentication, data matching, mission-related use, administrative use)*

The PII is collected for administrative use, identification, data matching.

**e. Do individuals have the opportunity to object to the collection of their PII?** ☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

Individuals do not have the opportunity to object to the collection of their PII /PHI because this system is not the initial point of collection; however, the source system may provide the individual the opportunity to object to the collection.

**f. Do individuals have the opportunity to consent to the specific uses of their PII?** ☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

Individuals do not have the opportunity to object to the collection of their PII /PHI because this system is not the initial point of collection; however, the source system may provide the individual the opportunity to object to the collection.

**g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided.** *(Check as appropriate and provide the actual wording.)*

☐ Privacy Act Statement ☒ Privacy Advisory ☐ Not Applicable

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized official business only.
By using or accessing this IS, you understand and consent to the following:
1. You have no reasonable expectation of privacy regarding any communications or data transiting or stored on this system.
2. At any time, the USG or authorized personnel may monitor, intercept, record, and search any communication or data transiting or stored on this system.
3. Any communications or data transiting or stored on this system may be disclosed or used for any lawful government purpose.
Unauthorized or improper use of this system is prohibited and may result in disciplinary action, as well as civil and criminal penalties.

**h. With whom will the PII be shared through data/system exchange, both within your DoD Component and outside your Component?** *(Check all that apply)*

| | | |
|---|---|---|
| ☒ Within the DoD Component | Specify. | DHA (i.e. Counselors, MTF staff etc) |
| ☒ Other DoD Components *(i.e. Army, Navy, Air Force)* | Specify. | PII information may also be shared with other Services (Army, Navy, Marine)<br>physicians, pharmacists, and nurses where applicable. In addition the<br>information may be shared with billing and financial groups within those<br>Services (Army, Navy, Marine). |
| ☒ Other Federal Agencies *(i.e. Veteran's Affairs, Energy, State)* | Specify. | PII information may also be shared with Department of Homeland Security,<br>US Coast Guard physicians, pharmacists, and nurses where applicable. In<br>addition the information may be shared with billing and financial groups within<br>the Department of Homeland Security, US Coast Guard. |
| ☐ State and Local Agencies | Specify. | |
| ☐ Contractor *(Name of contractor and describe the language in the contract that safeguards PII. Include whether FAR privacy clauses, i.e., 52.224-1, Privacy Act Notification, 52.224-2, Privacy Act, and FAR 39.105 are included in the contract.)* | Specify. | |
| ☐ Other *(e.g., commercial providers, colleges)*. | Specify. | |

**i. Source of the PII collected is**: *(Check all that apply and list all information systems if applicable)*

☐ Individuals ☒ Databases
☒ Existing DoD Information Systems ☐ Commercial Systems
☐ Other Federal Information Systems

Existing DoD Information System = MHS GENESIS . Patient data is collected by MHS GENESIS and MHS GENESIS feeds patient data.

**j. How will the information be collected?** *(Check all that apply and list all Official Form Numbers if applicable)*

☐ E-mail ☐ Official Form (*Enter Form Number(s) in the box below)*

☐ In-Person Contact ☐ Paper

☐ Fax ☐ Telephone Interview

☒ Information Sharing - System to System ☐ Website/E-Form

☐ Other *(If Other, enter the information in the box below)*

Official Form - list Form numbers; Website/E-From - provide site

**k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?**

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

☐ Yes ☒ No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or http://dpcld.defense.gov/Privacy/SORNs/

*or*

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date.

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

Information is not being maintained within a System of Records where it is retrieved by the use of a unique identifier.

**l. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?**

(1) NARA Job Number or General Records Schedule Authority.

Mission Schedules:
- Intermediary Records: GRS 5.2, item 020 (DAA-GRS-2022-0009-0002)

Other Schedules:
- System Access Records: GRS 3.2, item 030 (DAA-GRS-2013-0006-0003),

- Data Administration and Documentation: GRS 3.1, item 051 (DAA-GRS-2013-0005-0003)

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

Mission Schedules:
FILE NUMBER: 103-14
FILE TITLE: Intermediary Records
DISPOSITION: Temporary. Cut off and destroy upon creation or update of the final record, or when no longer needed for business use, whichever is later.
RM NOTE: Exported images and patient record information is maintained in the appropriate Picture Archiving and Communication System and electronic health records system, as applicable.

Other Schedules:
FILE NUMBER: 1601-02
FILE TITLE: System Access Records - Systems not requiring Special Accountability for Access
DISPOSITION: Temporary. Cut off and destroy when business use ceases.

FILE NUMBER: 1601-12
FILE TITLE: Data Administration and Documentation - Temporary Systems
DISPOSITION: Temporary. Cut off after the project/activity/transaction is completed or superseded, or the associated system is terminated, or the associated data is migrated to a successor system. Destroy 5 years after cutoff.

**m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statue or Executive Order.**

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

The authorities for this PIA are the same as in EDHA 07 - Military Health Information SORN.
Executive Orders & Federal Regulations
Executive Order 9397 (SSN), as amended: Authorizes the collection and utilization of Social Security Numbers as system identifiers for personnel tracking and database organization .
32 CFR Part 199: Governs the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) and the TRICARE program .
45 CFR Parts 160 & 164: The federal regulations implementing the HIPAA Privacy, Security, and Breach Notification Rules .
Department of Defense Policy Instructions & Manuals
DoD Manual (DoDM) 6025.18 (Implementation of the HIPAA Privacy Rule in DoD Health Care Programs)
DoD Instruction (DoDI) 6015.23 (Delivery of Healthcare at Military Treatment Facilities):

**n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?**

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

☐ Yes ☒ No ☐ Pending

(1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.
(2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, " DoD Information Collections Manual: Procedures for DoD Public Information Collections."
(3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.

The information collected in this system is not considered a public information collection in accordance with DoDM 8910.01, V2, Encl 3, paragraph 8b(5).
