We received a significant number of applications for AFP grants in FY 2005 and made eight new grant awards. Because some applications that met the same standard as those that received funding did not receive funding last year and limited funding is available for new awards under this program in FY 2006, we intend to select grantees in FY 2006 from the existing slate of applicants. This slate was developed during the FY 2005 competition using the selection criteria, absolute priority, competitive preference priorities, and application requirements included in the June 30, 2005, notice. No changes to the selection criteria, absolute priority, competitive preference priorities, or application requirements will be required by this action.
