Anthem Blue Cross Blue Shield Data Breach

Please be aware that Anthem Blue Cross Blue Shield states they were the target of a very sophisticated external cyber-attack. Anthem advises that once the attack was discovered, they immediately made every effort to close the security vulnerability.

At this time, it is unknown who has been impacted or what information has been compromised. Current and former members affected will be notified directly by Anthem and offered credit monitoring and identity protection services free of charge.

For TRICARE Beneficiaries:

If you have one of Anthem's Blue Cross Blue Shield plans as your primary health plan insurer, and you identify any fraudulent health care claims activity under that plan, please notify your TRICARE regional contractor immediately.
