BUG WEEK

2019

MILITARY HEALTH SYSTEM

JULY 27–AUGUST 2

The Military Health System is celebrating Bug Week from **July 27- August 2** to educate beneficiaries and stakeholders about bug-borne illnesses they may encounter at home – both inside and outside – during leisure activities involving outdoor travel, and at forward-deployed military operational sites.

Visit www.Health.mil/Bugs and follow [@MilitaryHealth](https://twitter.com/MilitaryHealth) all week long to stay informed and join the conversation!
