## What is MHS GENESIS?

**MHS GENESIS** is an electronic health record, or EHR, that integrates all aspects of your care here. It connects you directly to your doctor and is integral to the safe, quality care you deserve and expect. MHS GENESIS brings all your records into one place. MHS GENESIS helps your health care team provide the care you need, when and where you need it.

## Online Patient Portal

The **MHS GENESIS Patient Portal** is a secure web site for 24/7 access to your health records from any internet-connected device. **It allows you to:**

**REVIEW** your health record

**SECURELY SEND** a message and documents to your doctor

**REQUEST** prescription refills

**BOOK** an appointment

**FILL** out forms before your appointments

**ACCESS** educational content

**COMPLETE** an eVisit

## Accessing the Patient Portal

You need a **Premium Access DS Logon** account to take advantage of the MHS GENESIS Patient Portal. (Don't worry! Despite the fancy name, premium access is still a free account.) Simply navigate to <https://patientportal.mhsgenesis.health.mil> and click on "Need an Account?"

If you have trouble creating an account or have questions about DS Logon, you can learn more at <https://dmdc.osd.mil/milconnect>. You can also call the Defense Manpower Data Center at **(800) 538-9552**.
