**Were you deployed in the Southwest Asia theater of operations on or after August 2, 1990, or in Afghanistan or Djibouti on or after September 11, 2001? You may be eligible to participate in the Airborne Hazards and Open Burn Pit Registry.**

### Why Register?

- Document your possible exposures and learn more about potential health concerns
- Participate in an optional medical exam to discuss exposures with your doctor
- Receive important airborne hazards and open burn pit information
- Support ongoing research and inform future decisions around airborne hazards to keep service members healthy and safe
