

FEHRM DOD/VA Industry Interoperability Roundtable

November 18, 2020

8:30 a.m. – 12:30 p.m. ET

Virtual

On November 18, 2020, the Federal Electronic Health Record Modernization (FEHRM) program office will facilitate the FEHRM Department of Defense (DOD)/Department of Veterans Affairs (VA) Industry Interoperability Roundtable. The theme for this roundtable is “Interoperability Resources Bridging the Gaps in Care.” Speakers from DOD and VA will discuss project updates, and industry discussion will revolve around interoperability influences and lessons learned on delivering quality patient care. The FEHRM will facilitate the roundtable in an effective and efficient manner, welcoming participants who possess relevant broad-based knowledge and experience. This event is open to the public.

AGENDA

High-level agenda topics include:

- DOD and VA Updates
- FEHRM Health Data Sharing Updates
- Office of the National Coordinator for Health Information Technology, Centers for Medicare & Medicaid Services and Other Federal Partner Updates
- Industry Leader Panel

Additional details regarding the agenda and guest speakers will be distributed as they are finalized.
