

E-PRESCRIBE

A SIMPLE AND SECURE WAY TO SEND PRESCRIPTIONS

EXPRESS SCRIPTS®

E-prescribe is a simple and secure way to send prescriptions to your patients' pharmacy of choice. You can save time and improve clinical outcomes by sending prescriptions electronically to a local Military Pharmacy, home delivery through Express Scripts or a retail pharmacy.

- ✓ Add your patients' preferred pharmacy. If sending to a Military Pharmacy, search for 'DoD "Site Name" PHARMACY'
- ✓ Select the appropriate item from the "Sent To" drop-down menu
- ✓ Review the summary and sign the order as an electronic prescription

NEW! You can now E-prescribe controlled substances to some Military Pharmacies. Visit www.health.mil/erx to see a list of participating pharmacies.
