Concussion Awareness Day is observed on the third Friday in September, and TBICoE is ready for it. During this online event, clinicians will summarize TBI basics, including how to prevent, recognize, and recover from TBI. They’ll also identify resources you can access for more information.

**Friday, Sept. 15, 2023**
**Noon-1 p.m. ET**

Virtual on [Microsoft Teams](https://teams.microsoft.com)

Scan the QR code to visit [TBICoE’s web page](https://www.dcoe.mil) for this event and learn more!
