Abscess	2017	July	Skin and soft tissue infections, active component, U.S. Armed Forces, 2013–2016
	2015	July	Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
	2013	December	Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
	2013	December	Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
	2013	January	Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
	2006	May/June	Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005
Accident	2018	July	Incidence of acute injuries, active component, U.S. Armed Forces, 2008–2017
	2017	December	Insomnia and motor vehicle accident–related injuries, active component, U.S. Armed Forces, 2007–2016
	2016	June	Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
	2016	February	Deployment-related conditions of special surveillance interest
	2016	January	Deployment-related conditions of special surveillance interest
	2015	December	Deployment-related conditions of special surveillance interest
	2015	September	Deployment-related conditions of special surveillance interest
	2015	June	Update: Accidental drownings, active component, U.S. Armed Forces, 2005–2014
	2015	June	Deployment-related conditions of special surveillance interest
	2015	May	Deployment-related conditions of special surveillance interest

	2013	November	Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012
	2012	September	Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
	2012	September	Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
	2011	March	Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010
	2010	February	Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009
	2009	June	Motorcycle accidents, active component, U.S. Armed Forces, 1998-2008
	2009	June	Accidental drownings, active component, U.S. Armed Forces, 2004-2008
	1999	October/November	Predictors of accidental death in male soldiers, 1990-1998
Adenovirus	2015	December	Follow-up analysis of the incidence of acute respiratory infections among enlisted service members during their first year of military service before and after the 2011 resumption of adenovirus vaccination of basic trainees
	2013	May	Incidence of acute respiratory illnesses among enlisted service members during their first year of military service: Did the 2011 resumption of adenovirus vaccination of basic trainees have an effect?
	2012	March	Initial assessment of impact of adenovirus type 4 and type 7 vaccine on febrile respiratory illness and virus transmission in military basic trainees, March 2012
	2012	March	Surveillance Snapshot: adenovirus among U.S. military recruit trainees
	2009	May	Preliminary report: Febrile acute respiratory disease caused by adenovirus type 14, U.S. Coast Guard training center, Cape May, New Jersey, March 2009
	2000	July	Adenovirus type 4 outbreak among basic trainees, Ft. Benning, Georgia, April-May 2000
	1997	October	Adenovirus, type 4, Ft. Jackson and Ft. Gordon

	1995	May	ARD surveillance update
	1995	April	ARD update
Arthritis	2016	September	Update: Osteoarthritis and spondylosis, active component, U.S. Armed Forces, 2010–2015
	2015	May	Incidence of joint replacement among active component service members, U.S. Armed Forces, 2004–2014
	2010	December	Osteoarthritis and spondylosis, active component, U.S. Armed Forces, 2000-2009
Arthropod	2018	February	Update: Malaria, U.S. Armed Forces, 2017
	2018	February	Surveillance for vector-borne diseases among active and reserve component service members, U.S. Armed Forces, 2010–2016
	2018	February	Diagnostic evaluation of military blood donors screening positive for *Trypanosoma cruzi* infection
	2017	February	Incident diagnoses of leishmaniasis, active and reserve components, U.S. Armed Forces, 2001–2016
	2017	January	Update: Malaria, U.S. Armed Forces, 2016
	2016	December	Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
	2016	May	Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
	2015	October	Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
	2015	August	Case report: Probable murine typhus at Joint Base San Antonio, TX
	2015	May	Case series: Chikungunya and dengue at a forward operating location
	2015	March	Characterizing the relationship between tick bites and Lyme disease in active component U.S. Armed Forces in the eastern United States

	2014	May	The geographic distribution of incident Lyme disease among active component service members stationed in the continental United States, 2004–2013
	2014	January	Images in health surveillance: dengue and chikungunya virus vectors and prevention
	2013	January	Images in health surveillance: permethrin treatment of uniforms
	2012	October	Reported vectorborne and zoonotic diseases, U.S. Air Force, 2000-2011
	2012	October	Reported vectorborne and zoonotic diseases, U.S. Army and U.S. Navy, 2000-2011
	2012	September	Images in health surveillance: West Nile virus vectors and prevention
	2012	May	Images in health surveillance: tickborne disease vectors and Lyme disease clinical diagnosis
	2000	March	Five most common arthropod-borne diseases among active duty servicemembers in the U.S. Armed Forces, 1995-1999
	1997	November	Arthropod, lizard, and snake envenomations
	1997	May/June	Brown recluse spider bites among infantry trainees
Assignment	2004	November/December	Assignment locations, active component, U.S. Army, June 2004
Asthma	2015	November	Rates of acute respiratory illnesses of infectious and allergic etiologies after permanent changes of duty assignments, active component, U.S. Army, Air Force, and Marine Corps, January 2005–September 2015
	2009	July	Asthma, active component, U.S. Armed Forces, 1999-2008
Back pain	2016	January	Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
	2016	January	Surveillance snapshot: Responses to questions about back pain in post-deployment health assessment questionnaires, U.S. Armed Forces, 2005–2014

	2015	December	Diagnoses of low back pain, active component, U.S. Armed Forces, 2010–2014
	2010	July	Low back pain, active component, U.S. Armed Forces, 2000-2009
	1998	February/March	Back pain hospitalizations among active duty soldiers, Part 1
Bite	2011	September	Animal bites, active and reserve components, U.S. Armed Forces, 2001-2010
	1997	May/June	Brown recluse spider bites among infantry trainees
Bloodborne pathogen	2014	November	Transfusion-transmissible infections among U.S. military recipients of emergently transfused blood products, June 2006–December 2012
	2014	February	Human T-lymphotropic virus infections in active component service members, U.S. Armed Forces, 2000–2008
	2008	July/August	Occupational bloodborne pathogen exposure, medical personnel, active component, U.S. Armed Forces, 1998-2007
Bosnia	2001	September/October	Disease and nonbattle injury surveillance among deployed U.S. Armed Forces: Bosnia-Herzegovina, Kosovo, and Southwest Asia, July 2000-September 2001
	1998	December	Tick-borne encephalitis vaccine, Bosnia-Herzegovina
	1997	March	Bosnia update: DNBI hospitalizations
	1997	March	Surveillance trends: Hospitalization rates, Bosnia
	1997	February	Surveillance trends: Hospitalization rates, Bosnia
	1997	February	Bosnia update: DNBI hospitalizations
	1997	January	Surveillance trends: Hospitalization rates, Bosnia
	1997	January	Bosnia update: DNBI hospitalizations
	1996	December	Surveillance trends: Hospitalization rates, Bosnia
	1996	December	Bosnia update: DNBI hospitalizations
	1996	November	Surveillance trends: Hospitalization rates, Bosnia

	1996	November	Bosnia update: DNBI hospitalizations
	1996	October	Surveillance trends: Hospitalization rates, Bosnia
	1996	October	Bosnia update: DNBI hospitalizations
	1996	August/September	Surveillance trends: Hospitalization rates, Bosnia
	1996	August/September	Bosnia update: DNBI hospitalizations
	1996	June/July	Surveillance trends: Hospitalization rates, Bosnia
	1996	June/July	Bosnia update: DNBI hospitalizations
	1996	May	Surveillance trends: Hospitalization rates, Bosnia
	1996	May	Bosnia update: DNBI hospitalizations
	1996	April	Surveillance trends: Hospitalization rates, Bosnia
	1996	April	Bosnia update: DNBI hospitalizations
	1996	March	Surveillance Trends: Hospitalization rates, Bosnia
	1996	March	Bosnia update: DNBI Hospitalizations
	1996	February	Surveillance Trends: Hospitalizations, Bosnia
	1996	February	Bosnia update: DNBI Hospitalizations
Botulism	1998	May/June	Infant botulism, WRAMC
Brain	2017	August	Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
	2017	March	Diagnoses of traumatic brain injury not clearly associated with deployment, active component, U.S. Armed Forces, 2001–2016
	2016	July	Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
	2015	February	Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014

	2015	February	Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
	2013	June	Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
	2013	May	Epilepsy in active component service members, 1998-2012
	2013	March	External causes of traumatic brain injury, 2000-2011
	2012	February	Relations between suicide and traumatic brain injury, psychiatric diagnoses, and relationship problems, active component, U.S. Armed Forces, 2001-2009
	2011	September	Surveillance Snapshot: Symptoms diagnosed during traumatic brain injury-related medical encounters, active component, U.S. Armed Forces, January 2008-December 2010
	2011	May	Surveillance Snapshot: Emergency departments visits for traumatic brain injury
	2010	June	Brief Report: Japanese encephalitis surveillance among beneficiaries of the U.S. Military Health System, 2000-2009
	2008	December	Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
	2008	October	Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
	2007	August	Traumatic brain injury among members of active components, U.S. Armed Forces, 1997-2006
	1998	December	Tick-borne encephalitis vaccine, Bosnia-Herzegovina
Breast	2013	September	Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
	2009	October	Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009
	2000	September/October	Breast cancer among female soldiers, 1998 - 1999

Brucellosis	2004	July/August	Brucellosis in a soldier who recently returned from Iraq
Bunion	2000	September/October	Acquired hallux valgus (bunions), U.S. Armed Forces, 1998 - 1999
Burden	2018	June	Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
	2018	May	Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2017
	2018	May	Surveillance snapshot: Illness and injury burdens, reserve component, U.S. Armed Forces, 2017
	2018	May	Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2017
	2018	May	Morbidity burdens attributable to various illnesses and injuries, deployed active and reserve component service members, U.S. Armed Forces, 2017
	2018	May	Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2017
	2017	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2016
	2017	April	Surveillance snapshot: Illness and injury burdens, reserve component, U.S. Armed Forces, 2016
	2017	April	Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2016
	2017	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2016
	2016	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, active component, U.S. Armed Forces, 2015
	2016	April	Surveillance snapshot: Illness and injury burdens, reserve component, U.S. Armed Forces, 2015

	2016	April	Surveillance snapshot: Illness and injury burdens, recruit trainees, active component, U.S. Armed Forces, 2015
	2016	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2015
	2015	August	Morbidity burdens attributable to various illnesses and injuries in deployed (per Theater Medical Data Store [TMDS]) active and reserve component service members, U.S. Armed Forces, 2008–2014
	2015	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2014
	2015	April	Surveillance snapshot: Illness and injury burdens among reserve component service members, U.S. Armed Forces, 2014
	2015	April	Surveillance snapshot: Illness and injury burdens among U.S. military recruit trainees, 2014
	2015	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the Military Health System, 2014
	2014	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2013
	2014	April	Surveillance Snapshot: illness and injury burdens among reserve component service members, U.S. Armed Forces, 2013
	2014	April	Surveillance Snapshot: illness and injury burdens among U.S. military recruit trainees, 2013
	2014	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, non-service member beneficiaries of the military health system, 2013
	2013	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2012
	2013	April	Surveillance Snapshot: illness and injury burdens among U.S. military recruit trainees, 2012
	2012	November	Costs of War: Excess Health Care Burdens during the Wars in Afghanistan and Iraq (Relative to the Health Care Experience Pre-War)

	2012	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2011
	2012	April	Surveillance Snapshot: Illness and injury burdens among U.S. military recruit trainees, 2011
	2011	November	Brief report: Morbidity burdens attributable to illnesses and injuries in deployed (per Theater Medical Data Store [TMDS]) compared to nondeployed (per Defense Medical Surveillance System [DMSS]) settings, active component, U.S. Armed Forces, 2010
	2011	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010
	2011	April	Surveillance Snapshot: Illness and injury burdens among U.S. military recruits, 2010
	2010	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
	2010	April	Surveillance Snapshot: Illness and injury burdens among U.S. military recruits
	2009	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
	2008	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007
	2007	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006
	2006	April	Update: pre- and post-deployment health assessments, U.S. Armed Forces, January 2003-March 2006 Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2005
	2005	April	Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2004
	2004	April	Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003
	2003	April	Relative burdens of selected illnesses and injuries,U.S. Armed Forces, 2002
	2002	March/April	Relative burdens of selected illnesses and injuries

	2001	April	Relative burdens of selected illnesses and injuries
Campylobacter	2018	August	Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
	2017	June	Incidence of *Campylobacter* intestinal infections, active component, U.S. Armed Forces, 2007–2016
	2017	June	Surveillance snapshot: Annual incidence rates and monthly distribution of cases of gastrointestinal infection, active component, U.S. Armed Forces, 2007–2016
	2015	June	Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014
	2014	December	Incidence of *Campylobacter* infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
	2014	November	An outbreak of *Campylobacter* enteritis associated with a community water supply on a U.S. military installation
Cancer	2017	July	Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
	2017	February	Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
	2016	December	Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014
	2016	July	Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014
	2013	September	Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
	2012	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011
	2010	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009

	2009	October	Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009
	2008	November	Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008
	2000	September/October	Breast cancer among female soldiers, 1998 - 1999
	2000	May/June	Skin cancer, U.S. Armed Forces, 1998-1999
Carbon monoxide	2008	October	Clinically significant carbon monoxide poisoning, active and reserve components, U.S. Armed Forces, July 1998 - June 2008
	2007	September/October	Surveillance Snapshot: Carbon monoxide poisoning, by year, U.S. Armed Forces, January 1998-September 2007
	2006	December	Carbon Monoxide Poisoning, U.S. Armed Forces, January 1998-September 2006
	2003	September/October	Carbon monoxide poisoning, U.S. Armed Forces, January 1998-June 2003
	2001	February	Carbon Monoxide Poisoning in a Family of Five, Olsbrucken, Germany
	2001	February	Carbon Monoxide Poisoning in Active Duty Soldiers, 1998-1999
	1997	December	Carbon monoxide intoxication, Ft. Hood and Ft. Campbell
Cardiovascular disease	2018	July	Surveillance snapshot: Cardiovascular-related deaths during deployment, U.S. Armed Forces, October 2001–December 2012
	2018	March	Incidence rates of diagnoses of cardiovascular diseases and associated risk factors, active component, U.S. Armed Forces, 2007-2016
	2014	October	Risk of type II diabetes and hypertension associated with chronic insomnia among active component, U.S. Armed Forces, 1998–2013
	2013	December	Incidence and prevalence of select cardiovascular risk factors and conditions, active component, U.S. Armed Forces, 2003-2012
	2013	December	Brief report: deaths attributed to underlying cardiovascular diseases, active and reserve components, U.S. Armed Forces, 1998-2012

	2013	December	Brief report: hospitalizations for acute myocardial infarction, active component, U.S. Armed Forces, 2004-2012
Carpal tunnel	2011	July	Carpal tunnel syndrome, active component, U.S. Armed Forces, 2000-2010
	2000	May/June	Carpal tunnel syndrome, U.S. soldiers, 1998-1999
Case	2015	September	Assessment of ICD-9-based case definitions for influenza-like illness surveillance
	2009	December	Deriving case counts from medical encounter data: considerations when interpreting health surveillance report
	2008	October	Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
Cellulitis, abscess	2017	July	Skin and soft tissue infections, active component, U.S. Armed Forces, 2013–2016
	2015	July	Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
	2013	December	Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
	2013	December	Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
	2013	January	Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
	2006	May/June	Cellulitis and abscess, active components, U.S. Armed Forces, 2002-2005
	2002	September/October	Cellulitis among active duty servicemembers, U.S. Armed Forces, 1998-2001
Characteristics	2013	November	Surveillance snapshot: age and gender distribution of service members, active component, U.S. Armed Forces, compared to the U.S. population, 2011
	2010	May	Temporal characteristics of motor vehicle-related fatalities, U.S. Armed Forces, 1998-2009

	2006	April	Characteristics, demographic and military, U.S. Armed Forces, 2005
	2004	May/June	Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003
	2003	April	Characteristics, demographic and military, U.S. Armed Forces, 2002
	2002	March/April	Characteristics of active duty personnel
	2001	April	Characteristics of active duty personnel
	2001	January	P. vivax malaria acquired by U.S. soldiers in Korea: acquisition trends and incubation period characteristics, 1994-2000
Chlamydia	2017	September	Sexually transmitted infections, active component, U.S. Armed Forces, 2007–2016
	2017	January	Rates of *Chlamydia trachomatis* infections across the deployment cycle, active component, U.S. Armed Forces, 2008–2015
	2016	February	Sexually transmitted infections in U.S. Air Force recruits in basic military training
	2016	February	Incident and recurrent Chlamydia trachomatis and Neisseria gonorrhoeae infections, active component, U.S. Armed Forces, 2010–2014
	2016	February	Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
	2016	February	Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
	2014	November	Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members

	2009	March	Update: Exertional rhabdomyolysis among active component members, U.S. Armed Forces, 2004-2008
	2008	February/March	Exertional rhabdomyolysis among U.S. military members, 2004-2007
Eye	2016	May	Post-refractive surgery complications and eye disease, active component, U.S. Armed Forces, 2005–2014
	2015	March	Incidence and prevalence of diagnoses of eye disorders of refraction and accommodation, active component service members, U.S. Armed Forces, 2000–2014
	2014	December	Glaucoma, active component, U.S. Armed Forces, 1998–2013
	2014	July	Surveillance of cataract in active component service members, U.S. Armed Forces, 2000–2013
	2011	May	Eye injuries, active component, U.S. Armed Forces, 2000-2010
	2008	November	Eye injuries among members of active components, U.S. Armed Forces, 1998-2007
	1999	August/September	Eye injuries, active duty soldiers, 1993 - 1998
Female, Women	2017	November	Pregnancies and live births, active component service women, U.S. Armed Forces, 2012–2016
	2017	November	Contraception among active component service women, U.S. Armed Forces, 2012–2016
	2017	November	Complications and care related to pregnancy, labor, and delivery among active component service women, U.S. Armed Forces, 2012–2016
	2017	November	Incidence and burden of gynecologic disorders, active component service women, U.S. Armed Forces, 2012–2016
	2017	November	Department of Defense Birth and Infant Health Registry: select reproductive health outcomes, 2003–2014
	2016	November	Excessive vomiting in pregnancy, active component service women, U.S. Armed Forces, 2005–2014

	2016	February	Use of quadrivalent human papillomavirus vaccine and the prevalence of antibodies to vaccine-targeted strains among female service members before and after vaccination
	2016	February	Brief report: Human papillomavirus (HPV) 6, 11, 16, and 18 seroprevalence among males and females entering military service during 2011-2012
	2016	February	Sexually transmitted infections in U.S. Air Force recruits in basic military training
	2016	February	Incident and recurrent Chlamydia trachomatis and Neisseria gonorrhoeae infections, active component, U.S. Armed Forces, 2010–2014
	2016	February	Incidence of Chlamydia trachomatis infections and screening compliance, U.S. Army active duty females under 25 years of age, 2011-2014
	2016	February	Brief report: Associations between antecedent bacterial vaginosis and incident chlamydia and gonorrhea diagnoses, U.S. Army females, 2006–2012
	2015	June	Risk of mental health disorders following an initial diagnosis of postpartum depression, active component, U.S. Armed Forces, 1998–2010
	2015	June	Urinary tract infections in active component U.S. Armed Forces women before and after routine screening Pap examination
	2015	May	Tdap vaccination coverage during pregnancy, active component service women, 2006–2014
	2015	May	Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
	2014	August	Gynecologic disorders diagnosed during deployment to Southwest/Central Asia, active component females, U.S. Armed Forces, 2008–2013
	2014	August	Vaginal yeast infections while deployed in Southwest/Central Asia, active component females, U.S. Armed Forces, 2008–2013
	2014	March	Urinary tract infections during deployment, active component, U.S. Armed Forces, 2008–2013
	2013	September	Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
	2013	September	Female infertility, active component service women, U.S. Armed Forces, 2000-2012

	2013	September	Brief report: polycystic ovary syndrome, active component service women, U.S. Armed Forces, 2000-2012
	2013	September	Pelvic inflammatory disease among female recruit trainees, active component, U.S. Armed Forces, 2002-2012
	2013	September	Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
	2013	September	Menorrhagia, active component service women, U.S. Armed Forces, 1998-2012
	2013	September	Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
	2013	September	Surveillance snapshot: births, active component service women, U.S. Armed Forces, 2001-2012
	2012	July	Health of women after wartime deployments: correlates of risk for selected medical conditions among females after initial and repeat deployments to Afghanistan and Iraq, active component, U.S. Armed Forces
	2012	July	Acute pelvic inflammatory disease, active component, U.S. Armed Forces, 2002-2011
	2012	July	Ectopic pregnancy, active component, U.S. Armed Forces, 2002-2011
	2012	July	Surveillance snapshot: traumatic amputations among female service members, active and reserve components, U.S. Armed Forces, 2000-2011
	2011	December	Complications and care related to pregnancy, labor and delivery, active component, U.S. Armed Forces, 2001-2010
	2011	December	Urinary stones, active component, U.S. Armed Forces, 2001-2010
	2011	December	Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
	2011	December	Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate
	2011	December	Brief report: Births, active component, 2001-2010
	2011	December	Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

	2010	November	Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
	2009	November	Post-deployment mortality due to illnesses and nonbattle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
	2009	October	Health of women after deployment in support of Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S.Armed Forces
	2008	May	Gestational diabetes among female service members in relation to body mass index prior to service, active components, U.S. Armed Forces, 1998-2007
	2007	July	Hormonal contraceptive use among female service members, active components, U.S. Armed Forces, January 2004-March 2006
	2001	July	Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces,1997-1999
	2000	September/October	Breast cancer among female soldiers, 1998 - 1999
Fevers, various	2016	December	Zika virus infections in Military Health System beneficiaries since the introduction of the virus in the Western Hemisphere, 1 January 2016 through 30 November 2016
	2016	May	Surveillance Snapshot: Zika virus infection among Military Health System beneficiaries following introduction of the virus into the Western Hemisphere, 20 May 2016
	2015	October	Chikungunya infection in DoD healthcare beneficiaries following the 2013 introduction of the virus into the Western Hemisphere, 1 January 2014 through 28 February 2015
	2015	August	Case report: Probable murine typhus at Joint Base San Antonio, TX
	2015	May	Case series: Chikungunya and dengue at a forward operating location
	2010	May	Surveillance Snapshot: Q fever
	1998	January	Fevers of unknown origin among active duty soldier
	1997	October	Typhoid fever, Tripler Army Medical Center
	1995	December	Korean hemorrhagic fever, Korea

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

	1995	November	Dengue Fever, Fort Lewis, WA
	1995	November	Surveillance trends: Dengue Fever
	1995	September	Hemorrhagic fever with renal syndrome, Korea
	1995	September	Surveillance trends: HFRS 1990-1994
Fitness	1996	April	Injuries and fitness in BCT units, FLW, MO
Fracture	2014	September	Fractures among active component, recruit trainees, and deployed service members, U.S. Armed Forces, 2003–2012
	2011	May	Stress fractures, active component, U.S. Armed Forces, 2004-2010
	2010	July	Thoracolumbar spine fractures, active and reserve components, 2000-2009
	2010	February	Surveillance Snapshot: Medical evacuations for humeral fractures due to arm wrestling
	2004	May/June	Fractures among members of active components, U.S. Armed Forces, 1998-2003
	1997	December	Spontaneous fractures of the femur
Fungi	2018	April	Coccidioidomycosis, active component, U.S. Armed Forces, 2007–2017
	2017	May	Brief report: Tinea pedis, active component, U.S. Armed Forces, 2000–2016
	2014	June	The geographic distribution of incident coccidioidomycosis among active component service members, 2000–2013
	2001	March	Cutaneous fungal infections - U.S. Armed Forces, 1998-1999
Gallbladder	2014	June	Gallbladder disease and cholecystectomies, active component, U.S. Armed Forces, 2004–2013
Gastroenteritis, diarrhea	2018	August	Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016

	2017	July	Incidence of gastrointestinal infections among U.S. active component service members stationed in the U.S. compared to U.S. civilians, 2012–2014
	2017	July	Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
	2017	July	Surveillance snapshot: Norovirus outbreaks among military forces, 2008–2016
	2017	June	Incidence of *Campylobacter* intestinal infections, active component, U.S. Armed Forces, 2007–2016
	2017	June	Incidence of nontyphoidal *Salmonella* intestinal infections, active component, U.S. Armed Forces, 2007–2016
	2017	June	Incidence of *Shigella* intestinal infections, active component, U.S. Armed Forces, 2007–2016
	2017	June	Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach
	2017	June	Incidence of *Escherichia coli* intestinal infections, active component, U.S. Armed Forces, 2007–2016
	2017	June	Surveillance snapshot: Annual incidence rates and monthly distribution of cases of gastrointestinal infection, active component, U.S. Armed Forces, 2007–2016
	2016	June	Incidence and recent trends in functional gastrointestinal disorders, active component, U.S. Armed Forces, 2005-2014
	2015	June	Diarrheal and respiratory illness surveillance during US-RP Balikatan 2014
	2015	January	Incidence of Salmonella infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
	2014	December	Incidence of *Campylobacter* infections among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2000–2013
	2014	November	An outbreak of *Campylobacter* enteritis associated with a community water supply on a U.S. military installation

	2014	June	Reported gastrointestinal infections in the U.S. Air Force, 2000–2012
	2013	October	Gastrointestinal infections, active component, U.S. Armed Forces, 2002-2012
	2012	November	Outbreak of Gastrointestinal Illness During Operation New Horizons in Pisco, Peru, July 2012
	2011	November	Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
	2011	November	Historical perspective: Norovirus gastroenteritis outbreaks in military forces
	2011	June	Acute Gastroenteritis Outbreak at the Armed Forces Retirement Home, Washington, DC
	2011	June	Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010
	2007	May	Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006
	1998	October/November	Norwalk-like viral gastroenteritis outbreak, Fort Bliss
	1998	September	Foodborne outbreak, Salmonella gastroenteritis
	1997	January	Gastroenteritis outbreaks among military trainees
	1996	November	Shigella sonnei diarrheal outbreaks
	1996	October	Diarrhea outbreak - Croatia
	1995	October	Surveillance trends: Bacterial diarrhea
	1995	July	Diarrheal outbreak, UN battalion, Haiti
Gastrointestinal disorders	2017	July	Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
	2017	July	Incidence of gastrointestinal infections among U.S. active component service members stationed in the U.S. compared to U.S. civilians, 2012–2014
	2017	July	Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
	2017	July	Surveillance snapshot: Norovirus outbreaks among military forces, 2008–2016

	2016	November	Excessive vomiting in pregnancy, active component service women, U.S. Armed Forces, 2005–2014
	2016	August	Incidence of abdominal hernias in service members, active component, U.S. Armed Forces, 2005–2014
	2016	August	Incidence of hiatal hernia in service members, active component, U.S. Armed Forces, 2005–2014
	2016	June	Incidence and recent trends in functional gastrointestinal disorders, active component, U.S. Armed Forces, 2005-2014
Guillain-Barré Syndrome	2012	March	Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
	1995	December	GBS following Influenza immunization
Hantavirus	2013	December	Puumala hantavirus outbreak among U.S. military health care beneficiaries, Stuttgart, Germany − 2012
Hearing	2011	June	Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
	2001	March	Noise-induced hearing loss among men - U.S. Armed Forces, 1998-1999
	1997	December	U.S. Army Hearing Conservation Program (HCP)
HEARS	1996	March	Preliminary data: HEARS
Heat	2018	April	Update: Heat illness, active component, U.S. Armed Forces, 2017
	2018	April	Update: Exertional rhabdomyolysis, active component, U.S. Armed Forces, 2013–2017
	2018	April	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 2002–2017

	2017	March	Update: Heat illness, active component, U.S. Armed Forces, 2016
	2017	March	Update: Exertional rhabdomyolysis, active component, U.S. Armed Forces, 2012–2016
	2017	March	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 2001–2016
	2016	March	Update: Heat injuries, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2015
	2016	March	Update: Exertional rhabdomyolysis, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2011–2015
	2016	March	Update: Exertional hyponatremia, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2000–2015
	2015	March	Update: heat injuries, active component, U.S. Armed Forces, 2014
	2015	March	Surveillance snapshot: the geographic distribution of heat injuries among active component service members, U.S. Armed Forces, 2010–2014
	2015	March	Update: exertional rhabdomyolysis, active component, U.S. Armed Forces. 2010–2014
	2015	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999–2014
	2014	March	Update: heat injuries, active component, U.S. Armed Forces, 2013
	2014	March	Update: exertional rhabdomyolysis, active component, U.S. Armed Forces, 2009–2013
	2014	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999–2013
	2013	March	Update: heat injuries, active component, U.S. Armed Forces, 2012
	2013	March	Update: exertional rhabdomyolysis, active component, U.S. Armed Forces, 2008-2012
	2013	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999-2012
	2012	March	Update: heat injuries, active component, U.S. Armed Forces, 2011
	2012	March	Update: exertional rhabdomyolysis, active component, U.S. Armed Forces, 2011

	2012	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999-2011
	2011	October	Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011
	2011	March	Update: Heat injuries, active component, U.S. Armed Forces, 2010
	2010	March	Update: Heat injuries, active component, U.S. Armed Forces, 2009
	2009	March	Update: Heat injuries among active component members, U.S. Armed Forces, 2008
	2008	February/March	Update: Heat injuries among U.S. military members, 2007
	2007	May	Heat-related Injuries, U.S. Armed Forces, 2006
	2006	July	Heat-related injuries, U.S. Army, 2005
	2003	May/June	Heat-related injuries, U.S. Army, 2002
	2002	June	Heat-associated injuries, U.S. Army 1991-2002
	2001	March	Heat injuries - U.S. Army, 1998-2000
	2000	March	Heat-related injuries among active duty soldiers and Marines, 1997-1999
	1998	October/November	Heat-related outpatient visits, 1997-1998
	1998	January	Heat / cold injuries
	1997	September	Heat injuries in active duty soldiers
	1997	September	Heat injuries, 1990-1996
	1997	January	Heat / Cold weather injuries
	1996	December	Reported heat and cold weather injuries
	1996	October	Heat / Cold weather injuries
	1996	June/July	Heat / Cold weather injuries, Jan - Jun, 1996
	1996	May	Heat / Cold weather injuries, Jan - Apr, 1996
	1996	January	Heat / Cold weather injuries
	1995	October	Heat / Cold weather injuries
	1995	September	Heat injuries, Mar - Aug, 1995
	1995	August	Heat related Injuries, July 1995

	1995	August	Heat / Cold weather injuries, Jan - Jul, 1995
	1995	August	Classification and disposition of heat injuries
	1995	August	Surveillance trends: Heat Injuries 1990 - 1994
	1995	July	Heat / Cold weather injuries
	1995	April	Heat / Cold weather injuries
Hepatitis	2018	June	Letter to the Editor
	2017	December	Brief report: Prevalence of hepatitis B and C virus infections in U.S. Air Force basic military trainees who donated blood, 2013–2016
	2017	May	Viral hepatitis A, active component, U.S. Armed Forces, 2007–2016
	2017	May	Viral hepatitis B, active component, U.S. Armed Forces, 2007-2016
	2017	May	Viral hepatitis C, U.S. military service members and beneficiaries, 2008–2016
	2016	November	Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015
	2014	November	Transfusion-transmissible infections among U.S. military recipients of emergently transfused blood products, June 2006–December 2012
	2012	August	Hospitalizations for hepatitis A, B, and C, active component, U.S. Armed Forces, 1991-2011
	2012	January	Historical snapshot: Development of the hepatitis A vaccine
	2011	August	Viral hepatitis A, active component, U.S. Armed Forces, 2000-2010
	2011	August	Viral hepatitis B, active component, U.S. Armed Forces, 2000-2010
	2011	August	Viral hepatitis C, active component, U.S. Armed Forces, 2000-2010
	2011	August	Surveillance Snapshot: Service members with hepatitis B, hepatitis C, and HIV-1, active component, U.S. Armed Forces
	2009	October	Surveillance Snapshot: Hospitalization rates for hepatitis A

	2006	October	Hepatitis A immunity among enlisted accessions to the U.S. Army, Fort Benning, GA, April-August 2006
	2006	July	Hepatitis B immunity among U.S. Army basic trainees, Fort Leonard Wood, Mo, July 2005-December 2005
	1996	January	Hepatitis A in a SF Unit, Ft Lewis, WA
Hernia	2016	August	Incidence of abdominal hernias in service members, active component, U.S. Armed Forces, 2005–2014
	2016	August	Incidence of hiatal hernia in service members, active component, U.S. Armed Forces, 2005–2014
Heterotopic ossification	2017	March	Deployment-related conditions of special surveillance interest
	2017	February	Deployment-related conditions of special surveillance interest
	2016	December	Deployment-related conditions of special surveillance interest
	2016	October	Deployment-related conditions of special surveillance interest
	2016	September	Deployment-related conditions of special surveillance interest
	2016	August	Deployment-related conditions of special surveillance interest
	2016	June	Deployment-related conditions of special surveillance interest
	2016	May	Deployment-related conditions of special surveillance interest
	2016	March	Deployment-related conditions of special surveillance interest
	2016	January	Deployment-related conditions of special surveillance interest
	2015	December	Deployment-related conditions of special surveillance interest
	2015	November	Deployment-related conditions of special surveillance interest

	2015	October	Deployment-related conditions of special surveillance interest
	2015	September	Deployment-related conditions of special surveillance interest
	2015	July	Deployment-related conditions of special surveillance interest
	2015	June	Deployment-related conditions of special surveillance interest
	2015	May	Deployment-related conditions of special surveillance interest
	2015	April	Deployment-related conditions of special surveillance interest
	2015	March	Deployment-related conditions of special surveillance interest
	2014	May	Deployment-related conditions of special surveillance interest
	2014	March	Deployment-related conditions of special surveillance interest
	2014	February	Deployment-related conditions of special surveillance interest
	2013	June	Deployment-related conditions of special surveillance interest
	2007	August	Heterotopic ossification, active components, U.S. Armed Forces, 2002-2007
Histoplasmosis	1999	June/July	Histoplasmosis outbreak, U.S. soldiers, Panama
History	2015	April	Medical Surveillance Monthly Report: The first 20 years
	2012	December	Historical perspective: coccidioidomycosis in the U.S. military and military-associated populations
	2012	July	Historical snapshot: Dr. Mary E. Walker, Civil War surgeon, Medal of Honor recipient
	2012	January	Historical snapshot: Development of the hepatitis A vaccine
	2011	December	Historical snapshot: Dr. Anna Baetjer, industrial hygiene pioneer, military occupational health advocate

HIV	2017	September	Review of the U.S. military's human immunodeficiency virus program: a legacy of progress and a future of promise
	2017	September	Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2012–June 2017
	2016	September	Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2011–June 2016
	2016	March	Brief report: The epidemiology of herpes simplex virus type 2 infections in a large cohort of HIV-infected patients, 2006–2014
	2015	August	Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2010–June 2015
	2015	August	Durations of military service after diagnoses of HIV-1 infections among active component members of the U.S. Armed Forces, 1990–2013
	2014	November	Transfusion-transmissible infections among U.S. military recipients of emergently transfused blood products, June 2006–December 2012
	2014	November	Evaluation of extragenital screening for gonorrhea and chlamydia in HIV-infected active duty Air Force members
	2014	August	Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2009-June 2014
	2013	August	Update: Routine screening for antibodies to human immunodeficiency virus, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components, January 2008-June 2013
	2012	August	Updates: Routine screening for antibodies to human immunodeficiency virus, type 1 (HIV-1), civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
	2012	May	The risk of mental health disorders among U.S. military personnel infected with human immunodeficiency virus, active component, U.S. Armed Forces, 2000-2011

	2011	August	Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
	2011	August	Surveillance Snapshot: Service members with hepatitis B, hepatitis C, and HIV-1, active component, U.S. Armed Forces
	2010	September	Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
	2009	August	Updates: Routine screening for antibodies to HIV-1, civilian applicants for U.S. military service and U.S. Armed Forces, active and reserve components
	2008	July/August	Updates: routine screening for antibodies to HIV-1 among civilian applicants for U.S. Military Service; U.S. Army and U.S. Air Force, active and reserve components; U.S. Navy and Marine Corps, Active Duty
	2007	August	Routine screening for antibodies to HIV-1, U.S. Army, Navy, Marine Corps and civilian applicants for U.S. military service, January 1990-June 2007
	2006	August/September	Update: Screening for HIV-1 among soldiers in active and Reserve components, U.S. Army, and civilian applicants for military service, January 1990-June 2006
	2006	August/September	Seroprevalences and incidence rates of HIV-1 in relation to the frequency of testing, active component, U.S. Army, 2000-2005
	2006	August/September	Timing of prior HIV-1 tests in relation to dates of deployment to Southwest Asia, U.S. Armed Forces, 2001-2005
	2005	July/August	Update: Human immunodeficiency virus, type 1 (HIV-1) antibody screening among active and Reserve component soldiers and civilian applicants for military service, January 1990-June 2005
	2004	July/August	Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2004
	2003	July/August	Update: Human immunodeficiency virus, type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2003
	2002	July	Human immunodeficiency virus type 1 (HIV-1), antibody screening among active and reserve component soldiers and civilian applicants for military service, 1985-June 2002

	2002	January/February	Human immunodeficiency virus, type 1, screening compliance among active duty servicemembers, U.S. Armed Forces, 2001
	2001	July	Human Immunodeficiency Virus, Type 1, antibody screening among soldiers and civilian applicants for military service, 1985- 2001
	2000	July	Supplement: HIV-1 antibody screening among active duty, reservists,and civilian applicants for military service, 1985-2000
	1999	June/July	Supplement #1: Update: HIV-1 screening, US Army
	1998	July/August	Supplement #1: Update: HIV-1 testing in the Army
	1998	July/August	HIV-1 testing, Active duty , 1988-1998
	1998	July/August	HIV-1 testing, Reserve , 1988-1998
	1998	July/August	HIV-1 testing, National Guard, 1988-1998
	1998	July/August	HIV-1 testing, civilian applicants for service
	1998	July/August	HIV-1 tests, summary, U.S. Army, 1997
	1997	July/August	HIV-2, Walter Reed Army Medical Center
	1997	July/August	Supplement #1 : HIV-1 in the Army
	1997	July/August	HIV-1 testing program, 1985-1996
	1997	July/August	Status of HIV-1 infected patients
	1997	July/August	Prevalence of HIV-1, civilian applicants
	1996	June/July	Supplement: HIV-1 in the Army
	1996	June/July	Status of HIV-1 infected patients
	1996	June/July	Active duty soldiers infected with HIV-1
	1996	June/July	Prevalence of HIV-1, civilian applicants
	1996	June/July	HIV-1 testing program, 1985 - 1995
	1995	June	Supplement: HIV-1 infection
	1995	June	Status of HIV-1 infected patients
	1995	June	Prevalence of HIV-1, civilian applicants
	1995	June	Active duty soldiers infected with HIV-1
	1995	June	HIV-1 testing program, 1985 - 1994

Hookworm	1996	June/July	Hookworm Disease - Ft. Drum, NY
Hospital	2018	May	Hospitalizations, active component, U.S. Armed Forces, 2017
	2017	May	Surveillance snapshot: Respiratory infections resulting in hospitalization, U.S. Air Force recruits, October 2010–February 2017
	2017	April	Hospitalizations, active component, U.S. Armed Forces, 2016
	2016	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2015
	2016	March	Correlation between antimicrobial resistance in *Escherichia coli* infections in hospitalized patients and rates of inpatient prescriptions for selected antimicrobial agents, Department of Defense hospitals, 2010–2014
	2015	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2014
	2014	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2013
	2013	December	Brief report: hospitalizations for acute myocardial infarction, active component, U.S. Armed Forces, 2004-2012
	2013	August	Septicemia diagnosed during hospitalizations, active component service members, U.S. Armed Forces, 2000-2012
	2013	August	Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
	2013	July	Summary of mental disorder hospitalizations, active and reserve components, U.S. Armed Forces, 2000-2012
	2013	July	Surveillance Snapshot: Mental disorder hospitalizations among recruit trainees, U.S. Armed Forces, 2000-2012
	2013	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2012
	2012	August	Hospitalizations for hepatitis A, B, and C, active component, U.S. Armed Forces, 1991-2011
	2012	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2011

	2011	November	Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
	2011	June	Surveillance Snapshot: Gastroenteritis-related Hospitalizations, 2001-2010
	2011	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2010
	2011	April	Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010
	2010	November	Hospitalizations for mental disorders, active component, U.S. Armed Forces, January 2000-December 2009
	2010	April	Hospitalizations among members of the active component, U.S. Armed Forces, 2009
	2009	October	Surveillance Snapshot: Hospitalization rates for hepatitis A
	2009	April	Hospitalizations among members of active components, U.S. Armed Forces, 2008
	2008	April	Hospitalizations among members of active components, U.S. Armed Forces, 2007
	2008	January	Hospitalizations for assault-related injuries, active component, U.S. Armed Forces, January 1998-June 2007
	2008	January	Pneumonia/influenza hospitalization risk in relation to state of residence prior to military service, U.S. Armed Forces, 1998-2007
	2007	May	Hospitalization Experience within One Year after Returning from Afghanistan or Iraq, January 2002-September 2006
	2007	April	Hospitalizations among members of active components, U.S. Armed Forces, 2006
	2007	February/March	Relationships between the Timing and Causes of Hospitalizations Before and After Deploying to Iraq or Afghanistan, active components, U.S. Armed Forces, 2002-2005
	2006	April	Hospitalizations among active component members, U.S. Armed Forces, 2005
	2006	April	Numbers, rates, and patterns of hospital readmissions, U.S. Military Health System, January 2004 - January 2005

	2006	March	Numbers, rates, and patterns of hospital readmissions, U.S. Military Health System, January 2004 - January 2005
	2005	April	Hospitalizations among active component members, U.S. Armed Forces, 2004
	2004	November/December	Hospitalizations for Acute Respiratory Failure (ARF) /Acute Respiratory Distress Syndrome (ARDS) among participants in Operation Enduring Freedom/Operation Iraqi Freedom, active components, U.S. Armed Forces, January 2003-November 2004
	2004	July/August	Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2003
	2004	July/August	Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2003
	2004	July/August	Completeness and timeliness of reporting hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2003
	2004	April	Hospitalizations among active component members, U.S. Armed Forces, 2003
	2003	July/August	Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2002
	2003	July/August	Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2002
	2003	July/August	Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2002
	2003	April	Hospitalizations among active duty members, U.S. Armed Forces, 2002
	2002	September/October	Installation specific lost duty time reports: hospitalization and ambulatory encounters at the installation level - overall experience of the U.S. Army, August 2002
	2002	August	Rates and patterns of readmission after discharge from U.S. military hospitals, 2001

	2002	July	Completeness and timeliness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Army medical treatment facilities, 1995-2001
	2002	July	Completeness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Air Force medical treatment facilities, 1998-2001
	2002	July	Completeness of reporting of hospitalized notifiable conditions, active duty servicemembers, U.S. Naval medical treatment facilities, 1998-2001
	2002	March/April	Hospitalizations among active duty personnel
	2002	January/February	Rapidly successive hospitalizations for mental disorders, active duty servicemembers, U.S. Armed Forces, 1991-2001
	2001	November/December	Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1995-June 2001
	2001	November/December	Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Navy, January 1998-June 2001
	2001	November/December	Completeness of reporting of hospitalized notifiable cases, U.S. Air Force, January 1998-June 2001
	2001	May/June	Completeness and Timeliness of Reporting of Hospitalized Notifiable Cases, U.S. Army, 2000
	2001	April	Hospitalizations among active duty personnel
	2000	December	Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January - June 2000
	2000	December	Completeness of reporting of hospitalized cases of reportable medical events, U.S. Navy, January 1998 - June 2000
	2000	September/October	Assault - related hospitalizations, active duty military personnel, 1990 - 1999 (revised)
	2000	August	Assault - Related Hospitalizations, Active Duty Military, 1990 - 1999
	2000	April	Summary of hospitalizations, U.S. Army, 1999
	1999	December	Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Army, January 1999 - June 1999
	1999	December	Completeness and timeliness of reporting of hospitalized notifiable cases, U.S. Navy, January 1998 - June 1999

	1999	August/September	Causes of injury and poisoning hospitalizations, U.S. Army, 1998
	1999	April	Hospitalization Trends, U.S. Army, 1998
	1999	April	Supplement #1: Hospitalization summary, 1998
	1999	April	Active duty hospitalizations
	1999	April	Active duty hospitalization rates
	1999	April	Hospitalization-related lost duty days
	1999	April	Hospitalization-related lost duty rates
	1998	October/November	Hospitalizations and outpatient visits, musculoskeletal disorders
	1998	July/August	Trends in hospitalizations due to mental disorders
	1998	April	Hospitalizations and noneffective days, 1997
	1998	April	Supplement #1: Hospitalization Summary, 1997
	1998	April	Active duty hospitalizations
	1998	April	Active duty hospitalization rates
	1998	April	Total active duty hospital sick days
	1998	April	Noneffective rates, active duty hospitalizations
	1998	February/March	Back pain hospitalizations among active duty soldiers, Part 1
	1997	September	Risk factor analysis (part II), hospitalizations, OJE
	1997	May/June	Risk factor analysis (part I), hospitalizations, OJE
	1997	March	Hospitalizations and non-effective days, 1996
	1997	March	Bosnia update: DNBI hospitalizations
	1997	March	Surveillance trends: Hospitalization rates, Bosnia
	1997	March	Supplement #1: Hospitalization Summary, 1996
	1997	March	Active duty hospitalizations
	1997	March	Active duty hospitalization rates
	1997	March	Total active duty hospital sick days
	1997	March	Non-effective rates, active duty hospitalizations
	1997	February	Surveillance trends: Hospitalization rates, Bosnia
	1997	February	Bosnia update: DNBI hospitalizations

Hydration, Hyponatremia, Hyposmolality, Water	2018	April	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 2002–2017
	2017	March	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 2001–2016
	2016	March	Update: Exertional hyponatremia, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2000–2015
	2015	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999–2014
	2014	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999-2013
	2013	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999-2012
	2012	March	Update: exertional hyponatremia, active component, U.S. Armed Forces, 1999-2011
	2011	March	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 1999-2010
	2010	March	Update: Exertional hyponatremia, active component, U.S. Armed Forces, 1999-2009
	2009	March	Update: Exercise-associated hyponatremia due to excessive water consumption, active component, U.S. Armed Forces, 1999-2008
	2008	February/March	Exercise-associated hyponatremia due to excessive water consumption, U.S. military members, 1999-2007
	2006	July	Hyponatremia/overhydration, active duty,U.S. Army, 1999-2006
	2000	March	Overhydration and hyponatremia among active duty soldiers,1997-1999
	1999	March	Overhydration/hyponatremia, recent trends, U.S. Army
	1998	July/August	Hyposmolality related to excessive water consumption
	1997	September	Hyponatremia secondary to overhydration
	1997	September	Hyponatremia outbreak investigation

Influenza, Flu	2018	August	Sampling considerations for detecting genetic diversity of influenza viruses in the DoD Global Respiratory Pathogen Surveillance Program
	2018	June	Brief report: Department of Defense midseason vaccine effectiveness estimates for the 2017–2018 influenza season
	2018	January	Outbreak of influenza and rhinovirus co-circulation among unvaccinated recruits, U.S. Coast Guard Training Center Cape May, NJ, 24 July–21 August 2016
	2018	January	Brief report: Department of Defense Global, Laboratory-based Influenza Surveillance Program's influenza vaccine effectiveness estimates and surveillance trends for 2016–2017 influenza season
	2018	January	Assessment of 12 influenza-like illness case definitions using Department of Defense Global, Laboratory-based Influenza Surveillance Program data, 2011–2014
	2017	October	Surveillance snapshot: Influenza vaccine effectiveness, U.S. European Command, as estimated by the Department of Defense Global, Laboratory-Based Influenza Surveillance Program, 2016–2017 influenza season
	2017	October	Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2012–April 2017
	2017	August	Brief report: Mid-season influenza vaccine effectiveness estimates for the 2016–2017 influenza season
	2016	December	Surveillance snapshot: Findings from the Department of Defense Global, Laboratory-based, Influenza Surveillance Program, 2015–2016 influenza season
	2016	October	Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2011–April 2016
	2016	May	Surveillance Snapshot: Department of Defense Global, Laboratory-Based Influenza Surveillance Program, 2014–2015 season
	2016	March	The DoD Global, Laboratory-based, Influenza Surveillance Program: summary for the 2013–2014 influenza season
	2015	October	Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2010–April 2015

	2015	September		Assessment of ICD-9-based case definitions for influenza-like illness surveillance
	2015	May		Surveillance snapshot: Influenza vaccination coverage during pregnancy, active component service women, October 2009–April 2014
	2015	January		Influenza A(H3N2) outbreak at Transit Center at Manas, Kyrgyzstan, 2014
	2014	October		Surveillance snapshot: Influenza immunization among U.S. Armed Forces healthcare workers, August 2008–April 2014
	2014	June		Mid-season influenza vaccine effectiveness estimates for the 2013–2014 influenza season
	2013	October		Surveillance snapshot: influenza immunization among healthcare workers, active component, U.S. Armed Forces, August 2007-April 2013
	2013	March		Mid-season influenza vaccine effectiveness for the 2012-2013 influenza season
	2012	October	I	Surveillance Snapshot: influenza immunization among health care workers, August 2002-April 2012
	2012	September		Update: Pneumonia-influenza and severe acute respiratory illnesses, active component, U.S. Armed Forces, July 2000-June 2012
	2012	September		Pneumonia and influenza among military members and other beneficiaries of the U.S. military health system, 2007-2012
	2011	September		Surveillance Snapshot: Influenza immunization among healthcare workers
	2010	January		Surveillance Snapshot: Influenza reportable events, service members and other beneficiaries, 2009-2010
	2009	November		Preliminary report: Investigation of and response to novel H1N1 influenza among soldiers of the Afghan National Army, Kabul, Afghanistan, 30 October-14 November 2009
	2009	October		Policy brief: Department of Defense vaccine guidance for novel H1N1 influenza
	2009	September		Surveillance Snapshot: Influenza immunizations among health care workers
	2009	September		Preliminary report: Outbreak of novel H1N1 influenza aboard USS Boxer, 29 June - 31 July 2009

	2009	May	Update: Pneumonia-influenza and severe acute respiratory illnesses, active components, U.S. Armed Forces, January 1997-March 2009
	2009	May	Surveillance Snapshot: Influenza A and B, service members and beneficiaries, April - May 2009
	2008	November	Surveillance Snapshot: Influenza immunizations, September 2006-April 2008
	2008	June	Pneumonia-influenza and severe acute respiratory illnesses, U.S. Armed Forces, January 1997-April 2008
	2008	January	Pneumonia/influenza hospitalization risk in relation to state of residence prior to military service, U.S. Armed Forces, 1998-2007
	2007	September/October	Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
	2006	January/February	Pneumonia and influenza among non-military beneficiaries of the U.S. military health system, January 2001 - December 2004
	2005	September/October	Pneumonia and influenza among active component members, U.S. Armed Forces, January 2001-October 2005
	2003	September/October	Incidence, severity, and trends of pneumonia/influenza and acute respiratory failure/pulmonary insufficiency, U.S. Armed Forces, January 1990-June 2003
	2000	November	Monthly and installation - specific rates of pneumonia and influenza diagnoses, U.S. Army, July 1998 - June 2000
	1999	October/November	Acute respiratory illnesses, pneumonias, and influenza, U.S. Army, January 1998 - May 1999
	1998	December	Outbreak of parainfluenza type 1 respiratory illness, Fort Sill
	1998	February/March	Influenza outbreak, U.S. Navy, Hawaii
	1997	February	Influenza at Aberdeen Proving Ground
	1996	December	Air Force Influenza Surveillance Program
	1996	October	1996-97 Influenza immunization guidelines
	1995	December	GBS following Influenza immunization
	1995	October	Influenza immunization guidelines, 1995-96

	1995	April	Influenza-like illness, Ft Benning
Injury	2018	July	Incidence of acute injuries, active component, U.S. Armed Forces, 2008–2017
	2018	July	Major deployment-related amputations of lower and upper limbs, active and reserve components, U.S. Armed Forces, 2001–2017
	2017	October	Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2012–June 2017
	2017	March	Diagnoses of traumatic brain injury not clearly associated with deployment, active component, U.S. Armed Forces, 2001–2016
	2017	February	Medical evacuations, active and reserve components, U.S. Armed Forces, 2013–2015
	2016	December	Deployment-related conditions of special surveillance interest
	2016	November	Importance of external cause coding for injury surveillance: lessons from assessment of overexertion injuries among U.S. Army soldiers in 2014
	2016	October	Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2011–June 2016
	2016	July	Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
	2016	June	Identification of specific activities associated with fall-related injuries, active component, U.S. Army, 2011
	2016	June	Deployment-related conditions of special surveillance interest
	2016	May	Deployment-related conditions of special surveillance interest
	2016	March	Update: Heat injuries, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2015
	2016	March	Update: Exertional rhabdomyolysis, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2011–2015
	2016	March	Update: Exertional hyponatremia, active component, U.S. Army, Navy, Air Force, and Marine Corps, 2000–2015

	2016	March	Deployment-related conditions of special surveillance interest
	2015	October	Update: cold weather injuries, active and reserve components, U.S. Armed Forces, July 2010–June 2015
	2015	July	Post-deployment screening and referral for risky alcohol use and subsequent alcohol-related and injury diagnoses, active component, U.S. Armed Forces, 2008–2014
	2015	June	Update: Accidental drownings, active component, U.S. Armed Forces, 2005–2014
	2015	March	Update: heat injuries, active component, U.S. Armed Forces, 2014
	2015	February	Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
	2015	February	Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
	2014	October	Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2009–June 2014
	2014	September	Fractures among active component, recruit trainees, and deployed service members, U.S. Armed Forces, 2003–2012
	2014	May	Injuries associated with combat sports, active component, U.S. Armed Forces, 2010–2013
	2014	May	Surveillance snapshot: cauliflower ear, active component, U.S. Armed Forces, 2004–2013
	2014	March	Update: heat injuries, active component, U.S. Armed Forces, 2013
	2013	October	Update: cold weather injuries, active and reserve components, U.S. Armed Forces, July 2008-June 2013
	2013	August	Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

	2013	June	Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
	2013	June	Deployment-related conditions of special surveillance interest
	2013	March	External causes of traumatic brain injury, 2000-2011
	2013	March	Update: heat injuries, active component, U.S. Armed Forces, 2012
	2012	October	Update: Cold weather injuries, active and reserve components, U.S. Armed Forces, July 2007-June 2012
	2012	September	Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
	2012	September	Health care encounters for injuries associated with a gun mechanism or component, U.S. Armed Forces
	2012	September	Lightning-related medical encounters, U.S. Armed Forces, January 2009- August 2012
	2012	July	Surveillance snapshot: traumatic amputations among female service members, active and reserve components, U.S. Armed Forces, 2000-2011
	2012	June	Amputations of upper and lower extremities, active and reserve components, U.S. Armed Forces, 2000-2011
	2012	June	Surveillance Snapshot: deployment-related injuries to external genital organs, by month and service, active and reserve components, U.S. Armed Forces, January 2003-April 2012
	2012	March	Update: heat injuries, active component, U.S. Armed Forces, 2011
	2012	February	Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
	2012	February	Medical evacuations from Operation Iraqi Freedom/Operation New Dawn, active and reserve components, U.S. Armed Forces, 2003-2011
	2012	February	Surveillance snapshot: Medical evacuations from Operation Enduring Freedom (OEF), active and reserve components, U.S. Armed Forces, October 2001-December 2011

	2011	October	Update: Cold weather injuries, U.S. Armed Forces, July 2006-June 2011
	2011	October	Surveillance Snapshot: Reportable medical events of heat injury in relation to heat index, June-September 2011
	2011	September	Surveillance Snapshot: Symptoms diagnosed during traumatic brain injury-related medical encounters, active component, U.S. Armed Forces, January 2008-December 2010
	2011	June	Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
	2011	May	Eye injuries, active component, U.S. Armed Forces, 2000-2010
	2011	May	Surveillance Snapshot: Emergency departments visits for traumatic brain injury
	2011	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010
	2011	April	Surveillance Snapshot: Illness and injury burdens among U.S. military recruits, 2010
	2011	March	Update: Heat injuries, active component, U.S. Armed Forces, 2010
	2011	February	Cruciate ligament injuries, active component, U.S. Armed Forces, 2000-2009
	2010	October	Illness and injury diagnoses within six months before retirement after 20 or more years of active service, active component, U.S. Armed Forces, 2000-2009
	2010	October	Cold weather injuries, U.S. Armed Forces, July 2005 - June 2010
	2010	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
	2010	April	Surveillance Snapshot: Illness and injury burdens among U.S. military recruits
	2010	March	Update: Heat injuries, active component, U.S. Armed Forces, 2009
	2010	February	Accidental injuries from hand-to-hand combat training and combat sports, U.S. Armed Forces, 2002-2009

	2009	November	Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
	2009	September	Cold weather-related injuries, U.S. Armed Forces, July 2004 - June 2009
	2009	June	Lightning strike injuries, active component, U.S. Armed Forces, 1999-2008
	2009	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
	2009	March	Update: Heat injuries among active component members, U.S. Armed Forces, 2008
	2008	December	Frequencies, rates, and trends of use of diagnostic codes indicative of traumatic brain injury (TBI), July 1999-June 2008
	2008	December	Non-traumatic acute kidney injury, active component, U.S. Armed Forces, September 2001-September 2008
	2008	November	Eye injuries among members of active components, U.S. Armed Forces, 1998-2007
	2008	October	Cold weather-related injuries, U.S. Armed Forces, July 2003-June 2008
	2008	October	Notice to readers: New surveillance case definition for traumatic brain injury (TBI)
	2008	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007
	2008	February/March	Update: Heat injuries among U.S. military members, 2007
	2008	January	Hospitalizations for assault-related injuries, active component, U.S. Armed Forces, January 1998-June 2007
	2007	September/October	Cold weather injuries, U.S. Armed Forces, July 2002-June 2007
	2007	August	Traumatic brain injury among members of active components, U.S. Armed Forces, 1997-2006
	2007	May	Heat-related Injuries, U.S. Armed Forces, 2006
	2007	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006

	2006	October	Cold weather injuries, U.S. Armed Forces, July 2001-June 2006
	2006	July	Heat-related injuries, U.S. Army, 2005
	2006	April	Update: pre- and post-deployment health assessments, U.S. Armed Forces, January 2003-March 2006 Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2005
	2005	September/October	Cold injuries, active component members, U.S. Armed Forces, July 2000-June 2005
	2005	April	Estimates of absolute and relative health care burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2004
	2004	September/October	Cold injuries, active duty, U.S. Armed Forces, July 1999-June 2004
	2004	May/June	Frequencies and characteristics of medical evacuations of soldiers by air (with emphasis on non-battle injuries), Operations Enduring Freedom/Iraqi Freedom (OEF/OIF), January-November 2003
	2004	April	Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003
	2003	November/December	Cold weather injuries, active duty, U.S. Armed Forces, 1998-2003
	2003	May/June	Heat-related injuries, U.S. Army, 2002
	2003	April	Relative burdens of selected illnesses and injuries,U.S. Armed Forces, 2002
	2002	September/October	Cold weather injuries among active duty soldiers, U.S. Army, January 1997-July 2002
	2002	June	Heat-associated injuries, U.S. Army 1991-2002
	2002	March/April	Relative burdens of selected illnesses and injuries
	2001	November/December	Cold weather injuries among active duty soldiers,U.S. Army, 1997-2001
	2001	November/December	Monthly installation injury surveillance reports: surveillance of injuries and their impacts at the installation level, U.S. Navy and Marines
	2001	November/December	Monthly installation injury surveillance reports: surveillance of injuries and their impacts at the installation level, U.S. Air Force

	2001	September/October	Disease and nonbattle injury surveillance among deployed U.S. Armed Forces: Bosnia-Herzegovina, Kosovo, and Southwest Asia, July 2000-September 2001
	2001	September/October	Monthly installation injury surveillance reports: surveillance of injuries and their impacts at the installation level, U.S. Armed Forces
	2001	August	Lightning-Associated Injuries among Active Duty Members, U.S. Armed Forces, 1998-2000
	2001	August	Electrical Injuries Among Active Duty Members, U.S. Armed Forces, 1998-2000
	2001	April	Relative burdens of selected illnesses and injuries
	2001	March	Heat injuries - U.S. Army, 1998-2000
	2000	December	Cold weather injuries, active duty soldiers
	2000	November	Noncombat gunshot injuries, active duty servicemembers, 1990 - 1999
	2000	September/October	Assault - related hospitalizations, active duty military personnel, 1990 - 1999 (revised)
	2000	August	Assault - Related Hospitalizations, Active Duty Military, 1990 - 1999
	2000	March	Heat-related injuries among active duty soldiers and Marines, 1997-1999
	2000	February	Injury-related morbidity in relation to military occupations, active duty U.S. Armed Forces, 1998-1999
	1999	October/November	Injuries among senior officers, U.S. Army War College, Carlisle Barracks, Pennsylvania
	1999	August/September	Eye injuries, active duty soldiers, 1993 - 1998
	1999	August/September	Ankle injuries, active duty servicemembers, 1990 - 1998
	1999	August/September	Causes of injury and poisoning hospitalizations, U.S. Army, 1998
	1998	January	Heat / cold injuries
	1997	December	Injury incidence among advanced trainees, Ft. Sam Houston
	1997	September	Heat injuries in active duty soldiers
	1997	September	Heat injuries, 1990-1996
	1997	January	Cold weather injuries in active duty soldiers

	1997	January	Heat / Cold weather injuries
	1996	December	Reported heat and cold weather injuries
	1996	October	Heat / Cold weather injuries
	1996	June/July	Heat / Cold weather injuries, Jan - Jun, 1996
	1996	May	Heat / Cold weather injuries, Jan - Apr, 1996
	1996	April	Injuries and fitness in BCT units, FLW, MO
	1996	February	Injuries in integrated BCT units, FLW, MO
	1996	February	Cold weather injuries, Ft. Drum, NY
	1996	January	Cold Weather Injuries, Oct - Dec, 1995
	1996	January	Heat / Cold weather injuries
	1995	December	Cold weather injury rates, 1991 - 1995
	1995	October	Heat / Cold weather injuries
	1995	September	Heat injuries, Mar - Aug, 1995
	1995	August	Heat related Injuries, July 1995
	1995	August	Heat / Cold weather injuries, Jan - Jul, 1995
	1995	August	Classification and disposition of heat injuries
	1995	August	Surveillance trends: Heat Injuries 1990 - 1994
	1995	July	Heat / Cold weather injuries
	1995	May	Injury hospitalizations, ODS
	1995	April	Heat / Cold weather injuries
Iraq	2012	February	Medical evacuations from Operation Iraqi Freedom/Operation New Dawn, active and reserve components, U.S. Armed Forces, 2003-2011
	2011	September	Associations between repeated deployments to Iraq (OIF/OND) and Afghanistan (OEF) and post-deployment illnesses and injuries, active component, U.S. Armed Forces, 2003-2010. Part II. Mental disorders, by gender, age group, military occupation, and "dwell times" prior to repeat (second through fifth) deployments

	2017	December	Seizures among active component service members, U.S. Armed Forces, 2007–2016
	2017	December	Fatigue and related comorbidities, active component, U.S. Armed Forces, 2007–2016
	2015	June	Risk of mental health disorders following an initial diagnosis of postpartum depression, active component, U.S. Armed Forces, 1998–2010
	2015	February	Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
	2014	May	Numbers and proportions of U.S. military members in treatment for mental disorders over time, active component, January 2000–December 2012
	2013	October	Anxiety disorders, active component, U.S. Armed Forces, 2000-2012
	2013	September	Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
	2013	July	Editorial: The mental health of our deploying generation
	2013	July	Summary of mental disorder hospitalizations, active and reserve components, U.S. Armed Forces, 2000-2012
	2013	July	Surveillance Snapshot: Anxiety disorders, active component, U.S. Armed Forces, 2000-2012
	2013	July	Mental disorders and mental health problems among recruit trainees, U.S. Armed Forces, 2000-2012
	2013	July	Surveillance Snapshot: Mental disorder hospitalizations among recruit trainees, U.S. Armed Forces, 2000-2012
	2013	July	Malingering and factitious disorders and illnesses, active component, U.S. Armed Forces, 1998-2012
	2013	July	Surveillance Snapshot: Conditions diagnosed concurrently with insomnia, active component, U.S. Armed Forces, 2003-2012

	2013	March	Challenges in monitoring and maintaining the health of pilots engaged in telewarfare
	2013	March	Mental health diagnoses and counseling among pilots of remotely piloted aircraft in the United States Air Force
	2012	June	Mental disorders and mental health problems, active component, U.S. Armed Forces, 2000-2011
	2012	May	The risk of mental health disorders among U.S. military personnel infected with human immunodeficiency virus, active component, U.S. Armed Forces, 2000-2011
	2012	March	Mental health diagnoses during the year prior to schizophrenia, U.S. Armed Forces, 2001-2010
	2012	February	Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
	2012	February	Relations between suicide and traumatic brain injury, psychiatric diagnoses, and relationship problems, active component, U.S. Armed Forces, 2001-2009
	2011	September	Associations between repeated deployments to Iraq (OIF/OND) and Afghanistan (OEF) and post-deployment illnesses and injuries, active component, U.S. Armed Forces, 2003-2010. Part II. Mental disorders, by gender, age group, military occupation, and "dwell times" prior to repeat (second through fifth) deployments
	2010	November	Supplemental report: Selected mental health disorders among active component members, U.S. Armed Forces, 2007-2010
	2010	November	Mental disorders and mental health problems, active component, U.S. Armed Forces, January 2000-December 2009
	2010	November	Hospitalizations for mental disorders, active component, U.S. Armed Forces, January 2000-December 2009
	2010	November	Childbirth, deployment, and diagnoses of mental disorders among active component women, January 2002-June 2009
	2009	September	Mental disorders after deployment to OEF/OIF in relation to predeployment mental health and during deployment combat experiences, active components, U.S. Armed Forces, January 2006 - December 2007

	2009	February	Relationships between the nature and timing of mental disorders before and after deploying to Iraq/Afghanistan, active component, U.S. Armed Forces, 2002-2008
	2008	May	Prescriptions for psychotropic medications within one year before deployment: the experience of a U.S. Army combat unit, 2007
	2007	November	Mental health-related clinical experiences in relation to responses to health assessments after returning from Operation Iraqi Freedom in 2005, U.S. Armed Forces
	2007	September/October	Routine screening and referrals for Post-Traumatic Stress Disorder (PTSD) after returning from Operation Iraqi Freedom in 2005, U.S. Armed Forces
	2007	July	Mental health encounters and diagnoses following deployment to Iraq and/or Afghanistan, U.S. Armed Forces, 2001-2006
	2007	February/March	Stressors Prior to and Methods of Suicide, U.S. Air Force, 2000-2005
	2002	January/February	Rapidly successive hospitalizations for mental disorders, active duty servicemembers, U.S. Armed Forces, 1991-2001
	1998	July/August	Trends in hospitalizations due to mental disorders
Methods, surveillance	2017	September	Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
	2012	March	Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
	2012	January	Sources of variability of estimates of malaria case counts, active and reserve components, U.S. Armed Forces
	2009	December	Deriving case counts from medical encounter data: considerations when interpreting health surveillance report
Migraine, Headache	2016	July	Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015

	2012	February	Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010
	2009	December	Risk factors for migraine after OEF/OIF deployment, active component, U.S. Armed Forces
	2008	May	Migraines and other headaches, active components, U.S. Armed Forces, 2001-2007
	2000	July	Migraines among active duty military personnel, 1998-1999
Mononucleosis	2001	February	Infectious Mononucleosis among Active Duty U.S. Servicemembers, 1998-1999
	2001	February	Pseudo-outbreak Associated with False Positive Laboratory Tests for Mononucleosis, Lackland Air Force Base, January-February 1999
Morbidity	2018	June	Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
	2011	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2010
	2010	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2009
	2009	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2008
	2008	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2007
	2007	April	Absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2006
	2004	April	Estimates of absolute and relative morbidity burdens attributable to various illnesses and injuries, U.S. Armed Forces, 2003
	2001	July	Morbidity among women who are pregnant and have babies on active duty, U.S. Armed Forces,1997-1999

	2000	February	Injury-related morbidity in relation to military occupations, active duty U.S. Armed Forces, 1998-1999
	1998	September	Morbidity surveillance, field training exercise, Thailand
Mortality, death	2018	July	Surveillance snapshot: Cardiovascular-related deaths during deployment, U.S. Armed Forces, October 2001–December 2012
	2016	July	Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014
	2016	February	Deployment-related conditions of special surveillance interest
	2016	January	Deployment-related conditions of special surveillance interest
	2015	December	Deployment-related conditions of special surveillance interest
	2015	September	Deployment-related conditions of special surveillance interest
	2015	June	Update: Accidental drownings, active component, U.S. Armed Forces, 2005–2014
	2015	June	Deployment-related conditions of special surveillance interest
	2015	May	Deployment-related conditions of special surveillance interest
	2015	March	Deployment-related conditions of special surveillance interest
	2014	October	Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment
	2014	October	Surveillance snapshot: Manner and cause of death, active component, U.S. Armed Forces, 1998-2013
	2013	December	Brief report: deaths attributed to underlying cardiovascular diseases, active and reserve components, U.S. Armed Forces, 1998-2012
	2013	November	Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012

	2012	September	Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
	2012	June	Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011
	2012	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011
	2012	May	Deaths while on active duty in the U.S. Armed Forces, 1990-2011
	2011	March	Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010
	2010	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009
	2010	March	Motor vehicle-related deaths, U.S. Armed Forces, 2009
	2009	November	Post-deployment mortality due to illnesses and non-battle injuries, among female participants in Operation Enduring Freedom/Operation Iraqi Freedom, active component, U.S. Armed Forces
	2009	May	Deaths while on active duty in the U.S. Armed Forces, 1990-2008
	2009	April	Surveillance Snapshot: Deaths among active component service members, 1990-2008
	2005	May/June	Mortality among members of active components, U.S. Armed Forces, 2004
	2003	January	Mortality Trends among Active Duty Military Personnel, 1992-2001
	1999	October/November	Predictors of accidental death in male soldiers, 1990-1998
	1999	March	ARD surveillance update Correction: Mortality trends, active duty military, 1990-1997
	1999	January/February	Mortality trends, active duty military, 1990 - 1997
Motor vehicle	2017	December	Insomnia and motor vehicle accident–related injuries, active component, U.S. Armed Forces, 2007–2016
	2016	February	Deployment-related conditions of special surveillance interest

	2016	January	Deployment-related conditions of special surveillance interest
	2015	December	Deployment-related conditions of special surveillance interest
	2015	September	Deployment-related conditions of special surveillance interest
	2015	July	Deployment-related conditions of special surveillance interest
	2015	June	Deployment-related conditions of special surveillance interest
	2015	May	Deployment-related conditions of special surveillance interest
	2015	March	Deployment-related conditions of special surveillance interest
	2014	May	Deployment-related conditions of special surveillance interest
	2013	November	Update: motor vehicle-related deaths, active and reserve components, U.S. Armed Forces, 1999-2012
	2011	March	Motorcycle and other motor vehicle accident-related deaths, U.S. Armed Forces, 1999-2010
	2010	May	Temporal characteristics of motor vehicle-related fatalities, U.S. Armed Forces, 1998-2009
	2010	March	Motor vehicle-related deaths, U.S. Armed Forces, 2009
	2009	June	Motorcycle accidents, active component, U.S. Armed Forces, 1998-2008
MTF	1995	April	Reports submitted by MTFs
Multiple sclerosis	2017	August	Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
	2011	January	Multiple sclerosis, active component, U.S. Armed Forces, 2000-2009

Mumps	2017	October	Measles, mumps, rubella, and varicella among service members and other beneficiaries of the Military Health System, 2010–2016
	2015	February	Measles and mumps among service members and other beneficiaries of the U.S. Military Health System, January 2007–December 2014
	2007	February/March	Concordance of Measles and Rubella Immunity with Immunity to Mumps; Enlisted Accessions, U.S. Armed Forces, 2000-2004
	2006	October	Incidence of mumps in relation to universal MMR vaccination versus vaccination after serological screening of U.S. military recruits, 2000-2004
Musculoskeletal disorders	2016	November	Importance of external cause coding for injury surveillance: lessons from assessment of overexertion injuries among U.S. Army soldiers in 2014
	2016	January	Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
	2016	January	Surveillance snapshot: Responses to questions about back pain in post-deployment health assessment questionnaires, U.S. Armed Forces, 2005–2014
	2015	December	Diagnoses of low back pain, active component, U.S. Armed Forces, 2010–2014
	2015	December	Brief report: Incidence of diagnoses using ICD-9 codes specifying chronic pain (not neoplasm related) in the primary diagnostic position, active component, U.S. Armed Forces, 2007–2014
	2015	May	Incidence of joint replacement among active component service members, U.S. Armed Forces, 2004–2014
	2013	June	Arm and shoulder conditions, active component, U.S. Armed Forces, 2003-2012
	2012	May	Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
	2000	August	Relationship Between Body Mass Index and Musculoskeletal Disorders, U.S. Army, 1990 - 1999
	1998	October/November	Hospitalizations and outpatient visits, musculoskeletal disorders

Myocardial infarction	2018	March	Incidence rates of diagnoses of cardiovascular diseases and associated risk factors, active component, U.S. Armed Forces, 2007-2016
	2013	December	Brief report: hospitalizations for acute myocardial infarction, active component, U.S. Armed Forces, 2004-2012
	2011	February	Surveillance snapshot: Acute myocardial infarction, active component, U.S. Armed Forces, 2000-2009
Neoplasm	2017	July	Age-period-cohort analysis of colorectal cancer, service members aged 20–59 years, active component, U.S. Armed Forces, 1997–2016
	2017	February	Incidence rates of malignant melanoma in relation to years of military service, overall and in selected military occupational groups, active component, U.S. Armed Forces, 2001–2015
	2016	December	Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014
	2016	July	Incident diagnoses of cancers in the active component and cancer-related deaths in the active and reserve components, U.S. Armed Forces, 2005–2014
	2013	September	Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
	2013	September	Incident diagnoses of breast cancer, active component service women, U.S. Armed Forces, 2000-2012
	2012	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, 2000-2011
	2011	December	Uterine fibroids, active component females, U.S. Armed Forces, 2001-2010
	2010	June	Incident diagnoses of cancers and cancer-related deaths, active component, U.S. Armed Forces, January 2000-December 2009
	2009	October	Medical evacuation for suspected breast cancer, active and reserve components, U.S. Armed Forces, January 2002-June 2009
	2008	November	Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008
	2000	September/October	Breast cancer among female soldiers, 1998 - 1999

	2000	May/June	Skin cancer, U.S. Armed Forces, 1998-1999
Neurological disorders	2017	December	Seizures among active component service members, U.S. Armed Forces, 2007–2016
	2017	August	Multiple sclerosis among service members of the active and reserve components of the U.S. Armed Forces and among other beneficiaries of the Military Health System, 2007–2016
	2017	March	Diagnoses of traumatic brain injury not clearly associated with deployment, active component, U.S. Armed Forces, 2001–2016
	2016	July	Increasing severity of traumatic brain injury is associated with an increased risk of subsequent headache or migraine: a retrospective cohort study of U.S. active duty service members, 2006–2015
	2015	February	Whither the “signature wounds of the war” after the war: estimates of incidence rates and proportions of TBI and PTSD diagnoses attributable to background risk, enhanced ascertainment, and active war zone service, active components, U.S. Armed Forces, 2003-2014
	2015	February	Surveillance snapshot: responses to the traumatic brain injury (TBI) screening questions on the 2012 version of the Post-Deployment Health Assessment (DD Form 2796)
	2013	May	Epilepsy in active component service members, 1998-2012
	2012	February	Outpatient encounters associated with diagnostic codes for migraine and other types of headaches, active component service members, 1998-2010
	2011	October	Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010
Noise	2011	June	Noise-Induced Hearing Injuries, active components, U.S. Armed Forces, 2007-2010
	2001	March	Noise-induced hearing loss among men - U.S. Armed Forces, 1998-1999
Non-effective	1997	March	Hospitalizations and non-effective days, 1996

	1997	March	Non-effective rates, active duty hospitalizations
	1996	April	Non-effective rates
	1995	April	Non-Effective Rates
Norovirus	2018	August	Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
	2017	July	Brief report: Laboratory characterization of noroviruses identified in specimens from Military Health System beneficiaries during an outbreak in Germany, 2016–2017
	2017	July	Surveillance snapshot: Norovirus outbreaks among military forces, 2008–2016
	2017	June	Using records of diagnoses from healthcare encounters and laboratory test results to estimate the incidence of norovirus infections, active component, U.S. Armed Forces, 2007–2016: limitations to this approach
	2017	June	Surveillance snapshot: Annual incidence rates and monthly distribution of cases of gastrointestinal infection, active component, U.S. Armed Forces, 2007–2016
	2011	November	Norovirus outbreak associated with person-to-person transmission, U.S. Air Force Academy, July 2011
	2011	November	Notice to readers: Department of Defense laboratory capabilities for testing for norovirus infection
	2011	November	Historical perspective: Norovirus gastroenteritis outbreaks in military forces
	2007	May	Outbreak of Acute Gastroenteritis Due to Norovirus, Fort Dix, New Jersey, December 2006
Nosocomial infection	2014	November	Transfusion-transmissible infections among U.S. military recipients of emergently transfused blood products, June 2006–December 2012
	2013	August	Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation

	1996	November	Shigella sonnei diarrheal outbreaks
	1996	April	Shigellosis case reports, WRAMC
Skin, Rash, Dermatitis	2018	March	Herpes zoster, active component, U.S. Armed Forces, 2000-2016
	2017	July	Skin and soft tissue infections, active component, U.S. Armed Forces, 2013–2016
	2017	May	Brief report: Tinea pedis, active component, U.S. Armed Forces, 2000–2016

	2016	December	Incident diagnoses of non-melanoma skin cancer, active component, U.S. Armed Forces, 2005–2014
	2015	July	Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014
	2014	August	Spread of vaccinia virus through shaving during military training, Joint Base San Antonio–Lackland, TX, June 2014
	2014	July	Sunburn among active component service members, U.S. Armed Forces, 2002–2013
	2014	July	Brief report: Sunburn diagnoses while deployed in Southwest/Central Asia, active component, U.S. Armed Forces, 2008–2013
	2013	December	Bacterial skin infections, active component, U.S. Armed Forces, 2000-2012
	2013	December	Pilonidal cysts, active component, U.S. Armed Forces, 2000-2012
	2013	January	Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
	2011	July	Plant dermatitis, active component, U.S. Armed Forces, 2001-2010
	2008	November	Incident diagnoses of Malignant Melanoma, active components, U.S. Armed Forces, January 1998-June 2008
	2007	December	Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007
	2000	May/June	Skin cancer, U.S. Armed Forces, 1998-1999
	1996	August/September	Rash illness outbreak among British Soldiers
	1996	April	Rash outbreaks, U.S. forces operating in Belgium
	1995	September	Dermatitis outbreak, Heidelberg, Germany
Sleep	2017	December	Insomnia and motor vehicle accident–related injuries, active component, U.S. Armed Forces, 2007–2016
	2017	December	Fatigue and related comorbidities, active component, U.S. Armed Forces, 2007–2016

	2016	October	Obstructive sleep apnea and associated attrition, active component, U.S. Armed Forces, January 2004–May 2016
	2014	October	Risk of type II diabetes and hypertension associated with chronic insomnia among active component, U.S. Armed Forces, 1998–2013
	2013	July	Surveillance Snapshot: Conditions diagnosed concurrently with insomnia, active component, U.S. Armed Forces, 2003-2012
	2010	May	Surveillance Snapshot: Sleep studies
	2010	May	Obstructive sleep apnea, active component, U.S. Armed Forces, January 2000-December 2009
	2010	May	Insomnia, active component, U.S. Armed Forces, January 2000-December 2009
Snake	1997	November	Arthropod, lizard, and snake envenomations
Spider	1997	May/June	Brown recluse spider bites among infantry trainees
Spine	2016	January	Durations of service until first and recurrent episodes of clinically significant back pain, active component military members: changes among new accessions to service since calendar year 2000
	2016	January	Surveillance snapshot: Responses to questions about back pain in post-deployment health assessment questionnaires, U.S. Armed Forces, 2005–2014
	2015	December	Diagnoses of low back pain, active component, U.S. Armed Forces, 2010–2014
	2012	May	Degenerative disc disease, active component, U.S. Armed Forces, 2001-2011
	2010	July	Thoracolumbar spine fractures, active and reserve components, 2000-2009
Staphylococcal infections	2018	August	Brief report: Pre- and post-deployment prevalence of Staphylococcus aureus colonization among U.S. Navy submariners
	2015	July	Epidemiology, microbiology, and antibiotic susceptibility patterns of skin and soft tissue infections, Joint Base San Antonio–Lackland, Texas, 2012–2014

	2013	January	Staphylococcus aureus and other skin and soft tissue infections among basic military trainees, Lackland Air Force Base, Texas, 2008-2012
	2007	December	Diagnoses of "envenomations" in relation to diagnoses of skin and soft tissue infections due to staphylococci/penicillin resistant bacteria, U.S. Military Members, January 2002-October 2007
	2007	November	Indicator infectious illnesses, staphylococcal infections, and penicillin resistance among active component members, U.S. Armed Forces, January 2002-June 2007
Stone	2016	May	Update: Urinary stones, active component, U.S. Armed Forces, 2011-2015
	2011	December	Urinary stones, active component, U.S. Armed Forces, 2001-2010
	2000	January	Incidence of renal stone disease, U.S. Military, 1998
Strength	2011	December	Brief report: Numbers and characteristics of women in the active component, U.S. Armed Forces
	2003	September/October	Active duty force strength by medical treatment facility locations.U.S. Army
	2002	July	Active duty force strength by military treatment facility, U.S. Army, April 2002
	2002	March/April	Characteristics of active duty personnel
	2001	April	Characteristics of active duty personnel
	2001	January	Supplement #1: Reportable medical events; Reportable events, by quarter, 2000; Reportable events, by patient category, 1999-2000; Active duty force strength (September 2000)
	2000	September/October	Active duty force strength (June 2000)
	2000	August	Force Strength, Active Duty Soldiers, April 2000
	2000	April	Force strength, U.S. Army, December 1999
	2000	February	Correction: Force strength, active duty soldiers (September 1999)
	2000	January	Supplement #1: Reportable medical events; Reportable events, by quarter, 1999; Reportable events, by patient category, 1998-1999; Active duty force strength (September 1999)

	1999	October/November	Active duty force strength (June 1999)
	1999	June/July	Active duty force strength (March 1999)
	1999	June/July	Active duty, 1985-1999
	1999	April	Force strength (December 1998)
	1999	January/February	Active duty force strength, September 1998
	1998	October/November	Active duty force strength (June 1998)
	1998	July/August	Active duty force strength (March 1998)
	1998	April	Force strength (December 1997)
	1998	January	Force strength (September 1997)
	1997	October	Force strength (June 1997)
	1997	July/August	Force strength (March 1997)
	1997	March	Force strength (December 1996)
	1997	January	Force strength (September 1996)
	1996	December	Force Strength (June, 1996)
	1996	April	Force strength (December 1995)
	1996	January	Force strength (September 1995)
	1995	October	Force strength (June 1995)
	1995	July	Force strength (March 1995)
	1995	April	Force strength (December 1994)
Streptococcal infections	2013	June	Outbreak of Group A beta hemolytic Streptococcus pharyngitis in a Peruvian military facility, April 2012
	2010	April	Acute respiratory disease (ARD) and streptococcal pharyngitis rates (SASI), basic combat training centers, U.S. Army, by week, April 2008-April 2010
	2007	September/October	Relationship between influenza vaccination and subsequent diagnoses of Group A Streptococcus-related illnesses, basic combat trainees, U.S. Army, 2002-2006
	2007	June	Acute respiratory disease and streptococcal pharyngitis rates, basic training centers, U.S. Army, June 2005 - June 2007

	2007	January	Epidemiologic consultation (EPICON): Outbreak of invasive group A streptococcal infections among trainees, Fort Leonard Wood, Missouri, 2006
	1997	February	Group A beta hemolytic streptococcus among trainees
	1995	November	Streptococcal TSS - Fort Leonard Wood, MO
Strongyloides	1996	May	Strongyloides stercoralis hyperinfection
Substance, drug use	2018	June	Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
	2018	March	Mental health disorders and mental health problems, active component, U.S. Armed Forces, 2007-2016
	2016	November	Acetaminophen overdoses, active component, U.S. Armed Forces, 2006–2015
	2012	November	Substance Use Disorders in the U.S. Armed Forces, 2000-2011
Suicide	2018	June	Polypharmacy involving opioid, psychotropic, and central nervous system depressant medications, period prevalence and association with suicidal ideation, active component, U.S. Armed Forces, 2016
	2014	October	Suicides and suicide attempts among active component members of the U.S. Armed Forces, 2010–2012: Methods of self-harm vary by major geographic region of assignment
	2014	October	Surveillance snapshot: Manner and cause of death, active component, U.S. Armed Forces, 1998-2013
	2013	September	Depression and suicidality during the postpartum period after first time deliveries, active component service women and dependent spouses, U.S. Armed Forces, 2007-2012
	2012	September	Injuries due to firearms and air guns among U.S. military members not participating in overseas combat operations, 2002-2011
	2012	June	Deaths by suicide while on active duty, active and reserve components, U.S. Armed Forces, 1998-2011

	2012	February	Health care experiences prior to suicide and self-inflicted injury, active component, U.S. Armed Forces, 2001-2010
	2012	February	Relations between suicide and traumatic brain injury, psychiatric diagnoses, and relationship problems, active component, U.S. Armed Forces, 2001-2009
	2011	November	Poisoning-related hospitalizations and risk factors for self-inflicted poisoning in the active component, U.S. Armed Forces, 2001-2010
	2011	April	Surveillance Snapshot: Hospitalizations for suicidal ideation, active component, 2005-2010
	2007	February/March	Stressors Prior to and Methods of Suicide, U.S. Air Force, 2000-2005
Sulfide	1995	December	Hydrogen sulfide exposure, Ft Irwin
Surgery	2016	August	Incidence of abdominal hernias in service members, active component, U.S. Armed Forces, 2005–2014
	2016	August	Incidence of hiatal hernia in service members, active component, U.S. Armed Forces, 2005–2014
	2016	May	Post-refractive surgery complications and eye disease, active component, U.S. Armed Forces, 2005–2014
	2015	May	Incidence of joint replacement among active component service members, U.S. Armed Forces, 2004–2014
	2014	June	Gallbladder disease and cholecystectomies, active component, U.S. Armed Forces, 2004–2013
	2013	September	Surveillance snapshot: myomectomies and hysterectomies performed for uterine fibroids at military health facilities, active component service women, U.S. Armed Forces, 2000-2012
	2012	December	Appendicitis and appendectomies, active and reserve components, U.S. Armed Forces, 2002-2011
	2012	December	Appendicitis and appendectomies among non-service member beneficiaries of the Military Health System, 2002-2011
	2000	February	Appendicitis and appendectomies, active duty U.S. Armed Forces,1990-1998

Surveillance methods	2018	June	Variations in the incidence and burden of illnesses and injuries among non-retiree service members in the earliest, middle, and last 6 months of their careers, active component, U.S. Armed Forces, 2000–2015
	2017	September	Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
	2015	November	Completeness and timeliness of reporting of notifiable medical conditions, active component, U.S. Armed Forces, 2008–2014
	2013	August	Active surveillance for asymptomatic colonization with multidrug-resistant gram-negative bacilli among injured service members - a three year evaluation
	2013	February	Predictive value of reportable medical events for Neisseria gonorrhoeae and Chlamydia trachomatis
	2013	February	The U.S. Military's Neisseria gonorrhoeae resistance surveillance initiatives in selected populations of five countries
	2012	March	Predictive value of surveillance case definitions of Guillain-Barré Syndrome in vaccine safety assessment
	2011	October	Relationships between increasing outpatient encounters for neurological disorders and introductions of associated diagnostic codes, active duty military service members, 1998-2010
	2009	December	Deriving case counts from medical encounter data: considerations when interpreting health surveillance reports
Symptoms, Signs	2017	December	Fatigue and related comorbidities, active component, U.S. Armed Forces, 2007–2016
	2016	June	Incidence and recent trends in functional gastrointestinal disorders, active component, U.S. Armed Forces, 2005-2014
	2015	December	Brief report: Incidence of diagnoses using ICD-9 codes specifying chronic pain (not neoplasm related) in the primary diagnostic position, active component, U.S. Armed Forces, 2007–2014

MSMR Index: For titles, click key word. To return to key words, push Ctrl key and press Home.

	2013	June	Incident diagnoses of common symptoms ("sequelae") following traumatic brain injury, active component, U.S. Armed Forces, 2000-2012
	2013	April	Signs, symptoms, and ill-defined conditions, active component, U.S. Armed Forces, 2000-2012
Syncope	2013	November	Syncope among U.S. Air Force Basic Military Trainees, August 2012-July 2013
	2013	November	Syncope, active and reserve components, U.S. Armed Forces, 1998-2012
	2008	September	Syncope after immunization by injection, U.S. Armed Forces, 1998-2007
	2003	May/June	Syncope, active duty, U.S. Armed Forces, 1998-2002
Syphilis	2017	September	Sexually transmitted infections, active component, U.S. Armed Forces, 2007–2016
	2017	September	Brief report: Use of ICD-10 code A51.31 (condyloma latum) for identifying cases of secondary syphilis
	2016	February	Editorial: What's old is new again: Syphilis in the U.S. Army
	2016	February	Sexually transmitted infections in U.S. Air Force recruits in basic military training
	2015	September	Incidence of syphilis, active component, U.S. Armed Forces, 1 January 2010 through 31 August 2015
Tendon	2010	July	Tendon ruptures, active component, U.S. Armed Forces, 2000-2009
	2002	January/February	Spontaneous ruptures of the achilles tendon,U.S. Armed Forces, 1998-2001
Tetanus	1997	January	Tetanus, Fort Bragg, North Carolina
Training, Recruits	2018	August	Surveillance for norovirus and enteric bacterial pathogens as etiologies of acute gastroenteritis at U.S. military recruit training centers, 2011–2016
